News

This month we learned so many things and focused on sounds. We painted Christmas lights green and red to incorporate our themed colors of the month. Our class created Christmas crafts such as a snow globe and foot print reindeer, to give to our parents. One of our most exciting crafts, was painting a star yellow! We are very excited to start the new year with some new friends!

News

Our little friends enjoyed making Old Macdonald Farm Animal prints, as well as bubble art! We created several holiday art and holiday necklaces to play with. Room 2 spent so much time playing with George in the box and the pop up pals, those are their favorite items to play with. We are so excited to begin the new year; some of us are moving up and meeting new friends while some of us are anxious to learn more with our new friends whom are arriving!

News

This month we learned that our neighborhood has coffee shops, pizza places, fire stations, and police stations. We discussed about all the things that are involved during Christmas such as presents, family, and Rudolph. Our little friends are really starting to recognize basic colors, and are singing more of the simple songs. Our favorite book of the month is "Frosty The Snowman!" Room 4 is excited to swing into the New Year!

News
December was full of Christmas activities! We got to decorate and make our own Christmas Tree, and experimented with peppermint extract to play with the sticky outcome. We also learned how the seasons shift and collected leaves to create art with them. Our class had a snowman contest with shaving cream, it was so much fun. Room 6 is ready for the new year and to meet our new friends!

News

Room 7 discussed several things about Christmas, and incorporated many throughout the month. We decorate a Christmas tree, made homemade butter, and created cute gifts for our parents. We practiced our patience at home and in class, learned about animals that are from Mexico. We even enjoyed our own gingerbread cookies which was so delicious! Room 7 is very eager to enter the New Year to learn more!

News

We'd like to say goodbye to Keric Newman, and wish him well! Room 8 is learning patience and how to use within the classroom and at home.

We learned that hippopotamus means "river horse", and now know that have no hair and enjoy eating plants! Our friends enjoyed the Christmas program and we also enjoyed making gifts for our parents. Room is very ready to leap into 2019!

ROOM 9 MRS. ADRIANA, & MS. BRIANNA

News

The children had so much fun in the month of December. They learned about the five senses and enjoyed eating different sweet and salty foods. They also learned fun facts about reindeers. We read books about Christmas and "The Gingerbread Man". Room 9 had an amazing time decorating a foam Christmas tree and a Christmas wreath ornament. I am so proud of the kids performance at the Christmas program, and are very excited to jump into the new year!

News

Our older friends accomplished so much throughout the month of December, by creating their own camels, and discussing the culture of ancient Egypt. We also made paper snowmen and snow girls and spoke about polar animals and the coldest places on Earth. Our school age friends finished off the year great, but we are ready to blast off into the new year!
