

Employee of the Month!

Susie Rios-RM 6

Family of the Month!

The Wosel Family

We want to wish a Happy New Year! to all of our amazing families! We Had a fantastic 2017 and can not wait to see what the next year brings. We have a year of learning and fun ahead of us and we are so excited to spend it with you and your children! Here's to an AWESOME 2018!

Melissa San Angelo,

Executive Director

Brittany Alexander, Assistant
Director

Gladys McCaulley

Administrative Assistant

January

Parent's Night Out

January 19, 2018

7:00 p.m.-12:00 a.m.

Cost: \$25 per Child

\$35 for infants

\$20 each additional
Child

*Note: Parent Account
Must Be At Zero Balance
to Participate.*

Infants/Toddlers - Rooms 1, 2, & 3

Room 1: Ms. Debra, Ms. Sidney & Ms. Janelle

Room 2: Ms. Anita & Ms. Selena

Room 3: Ms. LaTonya

Our theme this month is Competent Me. We will be learning the baby sign for Play, the shape circle, and the color blue. We will also be learning the rhyme/fingerplay Pat-A-Cake as well as the song Head, Shoulders, Knees and Toes.

Room 5

Ms. Naomi & Ms. Pearl

Our January character emphasis is diversity—learning about the things that make us unique as well as the traits we all share. We will also be experimenting with magnets; and these two components—Science and Character—of our overall curriculum are good illustrations of an idea best expressed by Dr. King:

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.”

Toddlers Room 4

Room 4: Ms. Noelyn & Ms. Lilia

For January, our theme is Space. We will also be learning the baby sign play, the shape circle, and the color blue. We will be learning the song Mister Moon as well as the rhyme/finger play Five Little Rockets.

Preschool Room 6 and 7

Room 6: Ms. Susie, Ms. Natalia & Ms. Sumaya

Room 7: Ms. Patience & Ms. Rebecca

January is a great month for science—clouds, solar power, air, and insulation—each topic provides us with “real-life” opportunities to use the Scientific Method (forming & testing hypotheses and then analyzing and applying results); and they are also SO MUCH FUN. Our January character emphasis is diversity, and we will be talking about all the wonderful things that make each of unique, as well as all of the traits we share. These two components—Science and Character—of our overall curriculum.

Director's Corner

Dear Parents,

We want to thank all of our wonderful parent's and children who participated in our holiday program! 2017 was a great year and we look forward to a new year with exciting things for everyone. Also, we want to thank all off our awesome parents who bought toys for the children from the "Angel Tree." You guys helped make a someone's Christmas special!

Just a reminder that your "Absentee Credits" do start over this month and everyone will start fresh with 5 weeks for the year. Your 2017 tax statements will be at the front desk by the end of January. Please stop by the front desk to pick those up.

To all of our new families, we want to welcome you to Children's Light-house, and look forward to a great year. Any questions or concerns please see the front office. Thank you for your continuous support and making our jobs a joy to do.

Happy New Year !

Showing our Character Value!

Diversity-the state of being diverse; variety.

Room 9

Ms. Rabeh

As you know, we love science experiments! Experiments with clouds, static electricity, and magnets provide us with "real-life" opportunities to use the Scientific Method (forming & testing hypotheses and then analyzing and applying results); and this month, we're even applying some critical thinking in our character value emphasis on diversity. These two components—Science and Character—of our overall curriculum are good illustrations of an idea best expressed by Dr. King.

Room 8

Ms. Esmeralda & My. Yeny

Our theme for the month is Weather and Seasons. Our science and nature focus is Polar Animals and Magnets. Our phonics will include identifying alphabet by sound, identifying initial consonant and vowel sounds, and recognizing rhyming pairs. We will also be counting from 1 to 100, adding and subtracting 1 to 5 as well as recognizing coins. We will also have tons of fun

Room 10

Mr. Timmy & Mr. Chris

Our theme for the month is "Families." Please bring a family portrait to hang around the classroom for everyone to see. Our character value for this month is "Diversity." We will be learning about different cultures and what makes them unique.
