Our little snowflakes learned so many new things this month let us tell you about it. To start, this months theme was “Sounds”. The way we learned about sounds was going for walks outside and listening to everything around us even music. One of our favorite books was “Moo, Baa, La La La”! We also made some amazing art from Old MacDonald to Holidays crafts. This month made us so happy we can’t wait for the New Year!

For the month of December the theme was about “sounds”. The colors were “Red & Green” and we learned a new shape the “Star”. This month we made fun Holiday crafts such as a Reindeer and Mistletoe. This month’s music and movement was “Old McDonald Had A Farm”, we made a pig and a tractor using our footprint. We played with wrist rattles, instruments and making sounds with bubble wrap. We enjoyed reading many books but our most favorite was “Polar Bear, Polar Bear What Do You Hear”? We’re excited to see what next month has in store for us. We would like to wish everyone a blessed New Year!

We did so much art this month for Christmas our colors were “Green and Red” and so far we can say “Verde” which means green in Spanish. Our new shape that we learned was the “Star”, we also learned how to sign for it as well. We are learning how to be patient and to share our toys. We had so much fun dancing to our song “Jingle Bell Rock” we loved shaking our bells the most. Our Christmas party turned out amazing, we hope everyone had a wonderful Christmas and New Year!

Our December was filled with lots of role play and singing. We learned all about neighborhoods and who is in the community. We learned about community helpers such as Police Officers, Firefighters, Construction Workers and more. We had so much fun making our own grocery store in the classroom. We pretended to be cashiers which was so much fun. As a class we learned how to sign for "Play". We sang "The Muffin Man" and read so many books on community workers and different types of neighborhoods around the world. We also searched for the colors "Red & Green" around the classroom. Our shape of the month was "Triangle" we made trees and a triangle collage. We hope everyone has a great New Year!

Welcome to the month of December. These months are just flying by this year. We are learning about the letters D, E and H. We are also talking about the number 4 and know how to show four fingers. We talked about the color “Green” and the shape “Diamond”. We had so much fun learning our dance to “Santa Shark” and singing along. Thank you for taking time out of your day to talk about how your child is doing. Everyone is learning so much and will continue to each month. Happy New Year!

Room 6

Ms. Ashley, Ms. Hannah & Ms. Allison

For the month of December we enjoyed learning about our “Five Senses” and ‘Dinosaurs’. We loved reading and looking through books about dinosaurs and found it fascinating that there were so many different types of dinosaurs. We also enjoyed discussing the Holidays around the world and how different cultures celebrate them. We were so happy when Santa visited us! We hope everyone had an awesome Holiday Season and look forward to what the new year brings!

Room 8

Ms. Yvette, Ms. Mandy, Ms. Lauryn & Ms. Katie

For the month of December we learned about our Five Senses seeing, smelling, tasting, and hearing. We played games showing how we use those senses. We learned about how different countries celebrated Christmas, their customs and what kind of food they have during the holidays. We discussed about what it means to be patient which happens to be our Character Value for the month. We also learned about Dinosaurs which of course everyone loved talking about. We made a Dinosaur dig and had fun doing the Dinosaur Stomp around the classroom. We really enjoyed writing letters to Santa and making a gingerbread houses we even got to decorate our own class Christmas Tree. We are excited to start the New Year!

Welcome to Room 8:

Ms. Misty & Ms. Savannah

For the month of December we discussed our Five Senses and which sense we thought was most important. We also talked about what could/would happen if we lost one or more of our senses. We also learned about Dinosaurs and where they lived, how big they were and also what they ate. We learned the difference between herbivore and carnivore. We discussed what our favorite dinosaur is and if they would make good pets. We made a special time capsule ornaments for our Christmas trees and they were very excited to take them home. We hope everyone has a Happy New Year!

Happy Birthday:

Room 9 ASC

Ms. Savannah

This month our Questers discussed the importance of being patient. We were able to construct a toothpick tower using toothpicks and modeling clay. We discussed what Christmas means to us and what makes us happy on Christmas morning. We hope everyone had a great holiday and a wonderful New Year!

Happy Birthday:
Waylon W. 1/28

Ms. Arianna & Mr. David

Room 10 had a busy month earning badges for our XSTREAM Quest Challenges. We earned art badges by “Putting a Spin on Art” drawing circles using a marker and a cd. We played a game called “Defending the Hoop” by throwing bean bags into hula-hoops. Our character value of the month was Patience. We learned the definition with our everyday actions by practicing this skill. We are learning the value of Patience with our in classroom Basketball game, we learned to have patience while waiting for our turn to play. We enjoyed many challenges but our favorite was putting tennis balls into a pair of tights and trying to knock down a stack of cups. We hope everyone enjoyed the Holidays! We are excited to start the New Year!
