IN THE NEWS

You can find us on Facebook!

(www.facebook.com/cllcwylie) We post pictures, news updates, and upcoming events. When you "like" us, you will get everything sent straight to your newsfeed! How easy is that?

With colder weather finally upon us, please ensure all jackets, and sweaters are labeled with your child's first name and last initial.

It is important for integration into the classroom routines that all children be present inside the classroom at 8:30am

We hope everyone had a wonderful New Year!

DIRECTORS CORNER

Dear Parents,

Happy New Year! I hope that you had a great time relaxing and celebrating with family and friends. Where did 2021 go?! I really enjoyed watching the children grow throughout this past year. They add so much joy to our lives. Thank you for being a part of our center. We are, also, blessed to have such a fine staff who really enjoy the children and ensure that they are safe and loved.

I believe that we offer great curriculum for all ages. The infant teachers will talk about all the things our infants are learning, as Competent Me, is their January theme. The toddler class will explore Space this month. Rooms 5 through 9 will learn about the Weather and Seasons, Artic Animals and Magnets.

In case of inclement weather, please check www.childrenslighthouse.com/wylie or www.facebook.com/cllcwylie for updates on opening and closing times. We will always continue to uphold our highest quality of care unless it is absolutely impossible to open.

May all your dreams turn into reality and all your efforts into great achievements in this new year.

Thankfully yours,

-CLLC Administration
