

Lighthouse Beacon

January 2022

Director's Corner

WELCOME 2022!

Welcome to the beginning of another fantastic year! We are looking forward to a year full of learning, growth, and development. We would like to welcome all the new friends and families joining us in 2022. We are very excited to have each one of you as part of our Children's Lighthouse of Stone Oak Family. We want to thank all our wonderful parents for your amazing support and encouragement throughout 2021.

As we move forward, you will start to see your little ones grow and learn in leaps and bounds. Our students have become such independent and confident learners. They are using the knowledge that they are gaining from our Beginning Bright and C.A.R.E.S curriculums and implementing it in their daily activities. They amaze us with their knowledge every day.

As always, I would like to keep the lines of communication open. Feel free to stop by call or email if you have any questions.

2021 Tax Statements

Your 2021 tax statement will be available to be picked up on

Monday, January 10th

At the time that you pick up your tax statement we will ask you to review/update and sign your child(rens) enrollment information. This update is required annually, and we appreciate your help in getting it done.

To make your Healthy Snowman Snack you will need:

- A rice cake or large plain round cracker
- Cream cheese
- Raisins
- Red & orange pepper (or use a piece of carrot, some apple or other fruit and vegetables that your kids like)

Assemble your snowman snack
I think the rest is self-explanatory!

Spread your cream cheese and add your snowman features! Maybe you can get even more creative and create different characters and faces!

Monday, February 21st

Children's Lighthouse will be closed in observance of Presidents' Day.

Below is a breakdown of the monthly focus. To continue the extension of learning at home you can practice using the sign language word and point out the colors and shapes in your child's world.

Rooms 1,2, & 3

Theme: Competent Me

Sign: Play

Shape: Circle

Song: Head, Shoulders, Knees, and Toes

Color: Blue

Finger Play: Pat-A-Cake

Room 4

Theme: Space

Sign: Stars

Shape: Star

Song: Mister Moon

Color: Blue

Finger Play: 5 Little Rockets

This month our classrooms will focus on the character value of DIVERSITY! Our classes will talk about what diversity is and how we are all unique. We will explore our own characteristics and discuss how diverse the friends in our classroom are.

Rooms 5-9

Theme: Seasons and Weather

Science Focus: Artic Animals and Magnets

Character Value: Diversity

We are excited and ready to start completing our challenges for the new month. Some of the monthly quests are listed below and we even have some fun winter themed challenges!

Room 10

xSTREAM Quest Challenges:

Read All About It
Bead Man
Building Like the Ancient Greeks
Far Out Fable
Give Me Shelter
and so many more!

Character Value: Diversity
