Childrens Lighthouse Viridian

Director's Corner

Parents,

We can't believe July is here. Summer is flying by before us! This month we will spend a lot of time on indoor activities, as well as arts and crafts as the summer heat is here.

Until July 10, we are giving current families the opportunity to pre-register for the 2020-2021 school year. Please complete the registration if you would like to hold a spot for next year. We will open registration up to the public on July 10.

We are also collecting permissions for our keepsake yearbook that will come out this fall. If you have not already completed one, please see the front desk.

While this summer may be a little different than normal, we are still making it our goal to have a safe and fun summer full of memorable activities.

Thank you,
Childrens Lighthouse

Teacher of the Month

Ms. Cecilia

Ms. Cecilia is a Teacher in Infant
1 loving on our youngest
infants. Cecilia is caring and
reliable. Cecilia regularly goes
above and beyond the basic re-
quirements and works hard to
find out what is unique about
each child in her care. She is
sweet to everyone around her.
We have loved having Cecilia at
Childrens Lighthouse Viridian
and thankful to have her on our
time.
