## Upcoming Events

### Patriotic Parade

Flags will wave, and sparks will fly as we celebrate the 4th of July! Please join us as our children parade around our school dressed in patriotic colors and attire. The **Red**, **White** and **Blue** Patriotic Parade will be held Friday, July 1st at 3:00pm. After parade cool off with Kona Ice 3:30pm - 5:30pm

### July 28th- Food Truck

We will have an amazing food truck here at the school from 4pm-6pm, so take a break from cooking dinner and enjoy some Bar-B-Que from Rosemeyer's. We will have a link available closer to the date so that you may pre-order and pay for

Let's come together on July 12th a SAVE lives! Please give an hour and donate blood. Every donation saves 3 lives!

Tuesday, 07/12/2022 (02:00 pm - 05:00 pm)

Donor Coach

## Yearly Curriculum Fee

Just a reminder that the yearly Curriculum fee will come out Aug 8<sup>th</sup>. Room 1-4 and Room 10 has a \$100 fee. Room 5-9 has a \$150 fee. This fee is charged once year and is used to help support our curriculum, provide supplies, and purchase materials for the classrooms. This helps make sure we maintain our high level of education and make sure our children are constantly learning and growing.

We would like to take this time to thank all of our wonderful families for following our new policy of dropping off the children by 9:30am everyday. The teachers are seeing a big difference in the overall structure of the classroom and they are able to get the children on a daily schedule and routine. We do understand that sometimes things come up and you have to come a little after the cut off but the open communication has made this process successful.

On Friday July 1st we will have Techie Kids Club coming to the school to do a fun trial robotics class for our Schoolers. Techie Kids Club is a coding + robotics class that teaches the foundations of computer programming while creating an entirely new world of learning for your schooler. Learning to code helps your child build critical math, reading, and logic skills needed for success in Kindergarten.
