Character Value of the Month:

This month, all of our learners will learn about this month's theme, Community, and how to be a good citizen, with the help of Bailey the Bald Eagle.

Bailey the Bald Eagle

Being a Good Citizen • U.S.A. • North America

Bailey lives in the United States of America, high up in a tree. She is a good steward of her community because she cleans up branches, weeds, and feathers she finds on the ground. Bailey uses what she finds to build her nest.

We Are Stewards of Our Community

This month in the Bright Care classrooms, the little ones will explore the colors red, white, and blue. They will learn about the star shape through sensory exploration, dramatic play, songs, and stories. Our theme for the month is *My Community*, where children will learn about the people, places, and helpers that make our community special. Through hands-on activities and meaningful experiences, they will build connections to the world around them while developing social, language, and cognitive skills.

This month in the Cares Classrooms, our theme is *My Community*, featuring Clifford stories about friendship, helping others, and being a good neighbor. Children will learn about their community through making booklets, creating art projects, participating in circle time, and engaging in fun games and activities. Throughout the month, they will explore the important people and places in their community while building language, social, and creative skills.

Employee of The Month:

Teachers of The Month:

Our Room 6 teachers: Ms. Makayla, Ms. Jenny, and Ms. T, truly outdid themselves last month as they planned and hosted a wonderful graduation celebration for our PK students! The children proudly recited the Pledge of Allegiance, performed songs in both Spanish and sign language, and amazed everyone with a fantastic end-of-year presentation.

We are so grateful for the dedication, creativity, and countless hours our teachers invested to make this special event such a memorable experience for our students and families. Thank you, Room 6 teachers, for all that you do!
