## Meet Mrs. Astrid

Assistant School Director

Mrs. Astrid joined our team in July 2014. She began her journey with Children's Lighthouse as a lead teacher in our preschool threes program and made her way to our Pre-K program, she then became our kitchen manager. She then moved up to our management team, first as our Administrative Assistant and she is now our School Assistant Director. She loves working with children because they are so smart and loveable, and she loves having the opportunity to see the world through their eyes. Her superpower is that she is very attentive to detail.

### Little Known Facts

- She is the ultimate boy mom; 4 boys.
- She was born in Texas.
- She has pet turtles.
- She loves experimenting with her hair.
