MS. LUCIE, MS. MARISSA & MS. CASSY

This month has been so great to us! Let us tell you a little about our month. “Pat-A-Cake, Pat-A-Cake” was our favorite rhyme. We also had some great sensory play putting our feet into some flour and experiencing a new texture. Our shape of the month was “Square” and our color of the month was “Yellow”! We can’t wait for next month, July here we come!

“LOOK WHAT WE ARE LEARNING”

Theme: “Inside/Outside”

Baby Sign: “Hurt”

Shape: “Octagon”

Song: “Hokey Pokey”

Color: “Red, White and Blue”

Rhymes/Fingerplay: “This is My Turtle”

Ms. Diana, Ms. Destinee & MS. Alexis

We had a lot of fun in the month of June! We learned many things such as the color yellow and the shape "Square". We learned the sign language for mommy and daddy. We worked on Father's Day crafts for our dads. We played "Pat-A-Cake" and sang the "Ants Go Marching In", that was so much fun! This month for our prop box we had cooking items such as pots, pans and other utensils. We read so many books but our favorite was "Are You My Mother?" and "Daddy, Daddy be There." Also this month we started our Splash Days!

Happy Birthday:

Adonis R. 7/21 & Quincy C. 7/22

June was so fun, we had a blast during our Splash Days. Our color of the month was “Yellow” and the shape was “Square”. We learned about gardening and how to plant a seed. We made an I-spy bottle that had Yellow squares. We learned the sign language for Mommy and Daddy. We had fun painting with a sponge, and putting our toes and fingers in flour. We are excited for some Summer fun.

Hello Summer! We are enjoying the warmer weather during our outside play times. This month we learned about “My Family”, as a group activity we explored families from different cultures as well as animal families. We also learned about different tree families. We made so many arts and crafts this month we made some cute pineapples and a beehive. We also had a scavenger hunt in the classroom where we went on a search for yellow and square shaped objects. Our favorite books to hear our teachers read were “Bear’s Busy Family” and “Leo The Late Bloomer”.

Hello Summer! Our first week this month we learned and reviewed all of May's lessons. The second week we really enjoyed talking about "All About Me". We loved sharing our family pictures with the class and tracing our bodies. The next two weeks we learned about Artistry, Animation and twirling and dancing. We had so many fun activities this month but our favorite is Splash Day!

Welcome to Room 5:

Room 6 Ms. Ashley & Ms. Amaris

We had fun bringing in the Summer and saying goodbye to the school year! Our first week we started off by reviewing what we had learned in May and recapped all of our favorite highlights we did throughout the year. We had fun learning “All About Me” and doing some class bonding activities such as tracing each other with big sheets of butcher paper. Throughout the month we also played fun engaging games such as “Frog in the Middle” and “Red light, Green Light”. We are having a blast during our Splash Days!

Happy Birthday:

Room 7

Ms. Corrine, Ms. Lauryn & Ms. Katie

We were very excited for the summer, we enjoyed our first day of Splash Day. Our character value for the month was "Courage" and we learned about what it meant. We learned about stop motion animation we had fun doing art projects. Our favorite was painting with baking soda and vinegar. We are kicking off Summer with a great start!

Happy Birthday:

Logan M. 7/12

Welcome to Room 7:

Connor F., Quincy J., Jacob H. & Eliza M.

Room 8

Ms. Yvette & Ms. Amber

We read the book called "The Art Lesson" and talked about the things we love to draw. Our character Value for June was "Courage" and trying new things. We learned to encourage one another and helped our friends to find the courage to succeed in a task, whether its trying new food or simply learning how to ride a bike. We made a rainbow out of fruit loops and made a fabulous Father's Day gift. We enjoyed playing games that helped us improve in our math and language comprehension. Splash Day has been a blast!

ROOM 9

MS. MISTY & MS. SAVANNAH

We had lots of fun in the month of June. We got to know our new friends and welcomed them into our class. We talk about the meaning of a chemical reaction and got to do an experiment with vinegar and baking soda. We talked about ways to stay healthy, and what healthy nutritious snacks are good for you. We took a look at Animation and how different Animations are created and as a class we were able to create and direct our own Animation story.

Room 10

MS. ARIANA, MS. TAMARRA & MR. DAVID

Summer is here and Room 10 is excited to be back! This month was filled with laughter, friendship, hello's and goodbyes. We learned how to create invisible ink, we created family portrait's and drew out pictures using our fingertips dipped in ink. We explored all centers Reading, Engineering, Science, Technology, Math and Art. We looked at famous artists and their popular work. We had a blast on our first field trip to Clay Casa.
