Room I

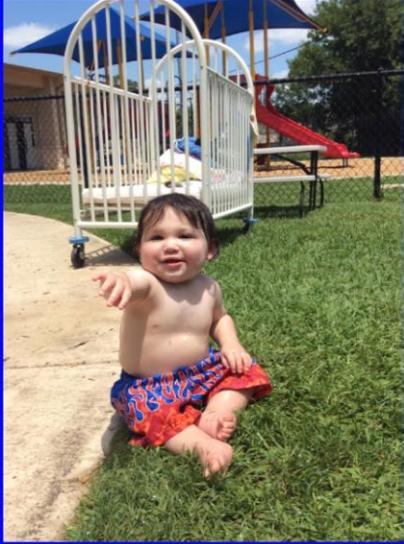

Ms. Damily & Ms. Andrea

News

The month of June was a blast for our babies! For our arts and crafts, we made boats, giraffes, and made a special present for all the Dads of room I. We learned a new song called "Ants Go Marching", and we also learned how to sign "mommy" and "daddy". This month was also the beginning of our summer splash days and the babies loved it! We are so excited for all the fun coming in July!

Room 2
Ms. Darlene, Ms. Briana, & Mrs. Elizabeth

News

Our little friends in room 2 had so much fun splashing in water on our Fridays in June! Whether we are listening to our teachers sing to us or read a book to us, we are enjoying our time in the class. Most of us are starting to walk and drink from our sippy cup! Our summer curriculum is kicking off nicely, we are learning so much and can't wait to see what is planned for us in July!

Infant 3 Lesson Plan

Theme: Inside and Outside

Baby Sign: Hurt

Color: Red, White, and Blue

Shape: Octagon

Spanish: Turtle- *la Tortuga*, Inside- *dentro*,

Outside- *fuera*, Dog- *el perro*

Song: "Hokey Pokey"

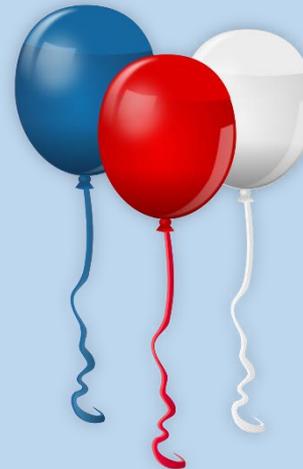

Rhyme/ Finger Play: "This is My Turtle"

Room 3 Mrs. Vanessa, Ms. Lupe, & Ms. Kayarie

News

Room 3 started their summer with a splash! We love to play with water especially on our splash day Fridays! This month some of our friends learned to run and drink from our sippy cups. We played with our fingers in flour and felt different textures. It was fun identifying square shapes in the classroom. Our friends are growing up so fast!

Toddler 4 Lesson Plan

Theme: Water

Baby Sign: Hurt

Color: Red, White, and Blue

Shape: Octagon

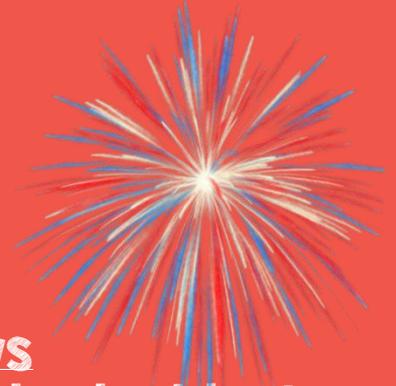

Spanish: Turtle- *la Tortuga*, Inside- *dentro*,

Outside- *fuera*, Dog- *el perro*

Song: "Row, Row, Row your Boat"

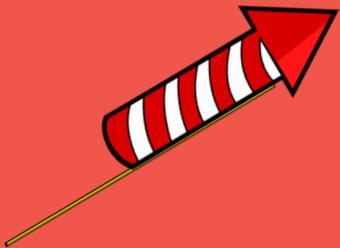

Rhyme/ Finger Play: "Frog's at the Pond"

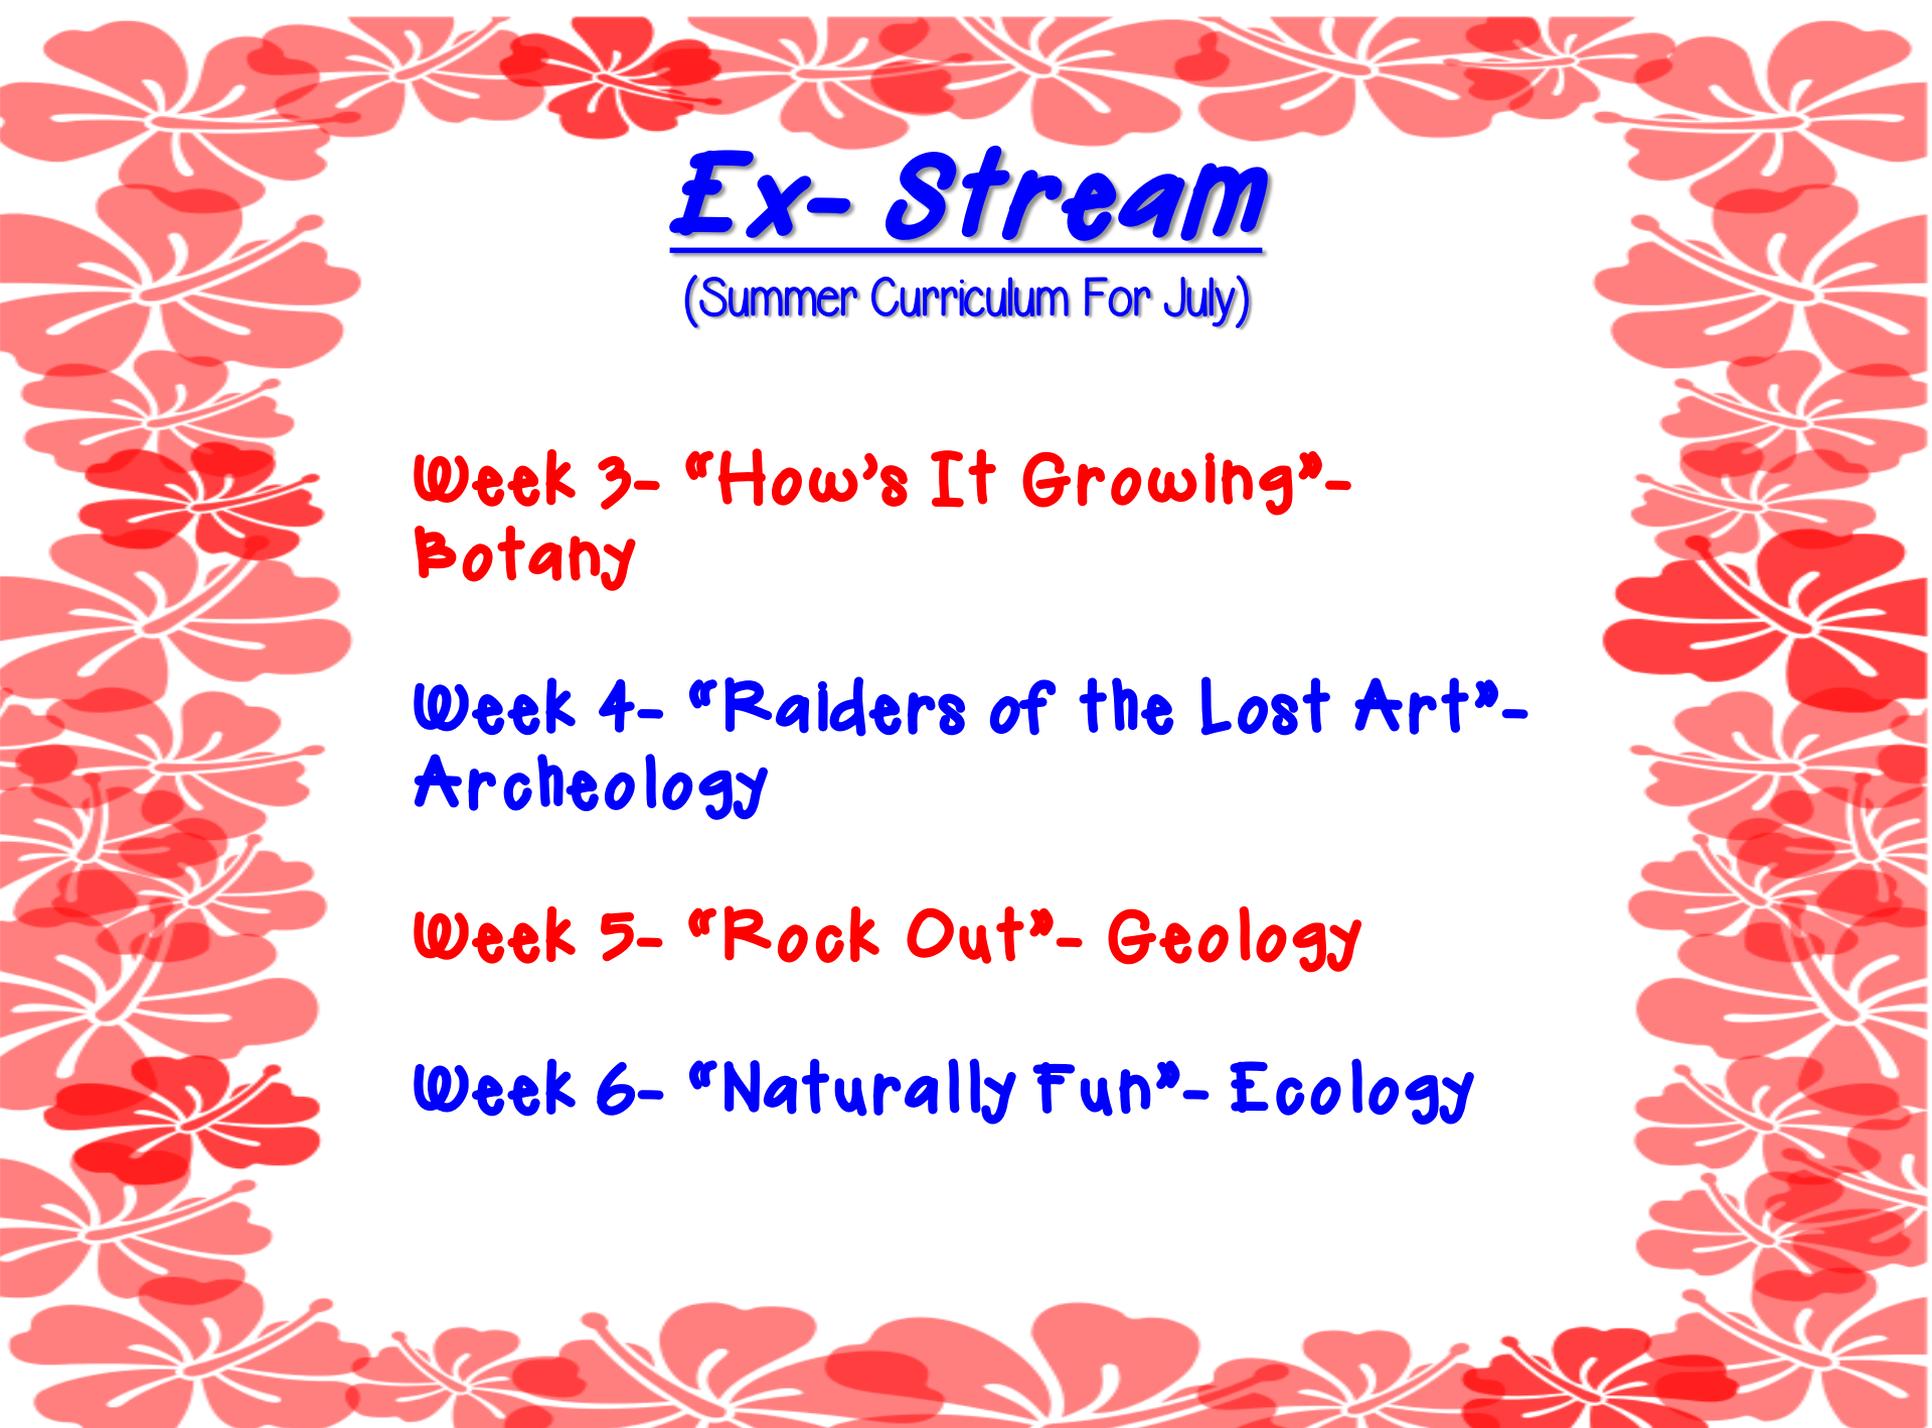

Room 4
Mrs. Theresa & Ms. Jazmin

News

This month we had a blast kicking off our first splash day of the summer! We enjoyed playing with the water especially with the beach sensory items, it was almost as if we were at the beach! We learned about our friends and family, and made a family tree. One experiment we had so much fun with, was when we colored on coffee filters to make tie dye colors. The kids were amazed with it. We are having so much fun and can't wait for all the activities in July!

A decorative border of red hibiscus flowers with white outlines surrounds the text.

Ex-Stream

(Summer Curriculum For July)

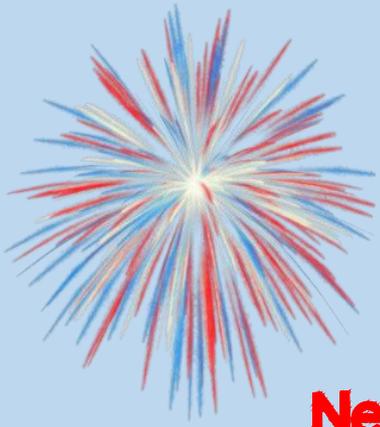

Week 3- "How's It Growing"-
Botany

Week 4- "Raiders of the Lost Art"-
Archeology

Week 5- "Rock Out"- Geology

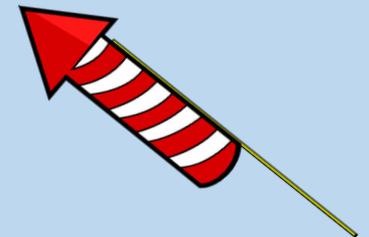

Week 6- "Naturally Fun"- Ecology

Room 5 Ms. Megan & Ms. Kerry

News

Room 5 had a great first month of summer! We got to learn all about ourselves! We also got to learn about our bodies, and what food makes our bones strong and healthy. We tried some silly fruits like plapple, papaya, and dragon fruit! Our favorite was plapple. We also learned about veggies and how some grow underground and some above. We had a great first month of summer, now we are ready for July!

Room 6
Ms. Brianna & Ms. Kate

News

The month of June was full of summer fun! We started off by learning about Ocean animals which was pretty cool to learn how they live in the water. Our summer curriculum began with experiments that were sensory, and helped us learned about our red blood cells. We even got to try some exotic fruit that had silly names. Our splash days have been real fun, we always enjoy ourselves as a class. We did so much this month and can't wait to see what July will bring to us!

Room 7
Mrs. Sarahi & Ms. Jillian

News

During the month of June we had lots of fun events! We shared sweets with all our friends that celebrated their birthdays.

We started a new summer curriculum which we love. We've been extra, extra excited about Fridays now that we have splash days! Summer is here and we are so ready for it! My friends are enjoying all the tasting parties and our science experiments. We can't wait to see what July has for us.

Room 8

Ms. Michelle & Ms. Cassandra

News

Summer has finally arrived! We are all excited for our experiments this summer!

We started off by learning about ourselves and our friends and then jumped right into our STEM projects! We made a lava lamp, Oobleck, and Lego Zip lines. Our Summer has kicked off really fun and we are eager to see what July has in store for us!

Junior Camp Mrs. Rachel, Ms. Maria, Mr. Jacob, & Mr. David

News

The junior summer camp have done a fantastic job doing so well on field trips and making new friends. Our campers are making several memories and being team players with all the adventures they are going on. We wish everyone a happy and safe 4th of July! We are excited to attend more field trips in July.

Senior Camp Mrs. Jeanette, Mr. Chris, Mr. Jacob, & Mr. David

News

Room 10 Summer Senior Camp in the month of June has been very busy. We had water sports, Kona Ice, Field Day, Adventure Day, and Movie Popcorn Day. We have learned many things about skeletal system and digestive system. The seniors have experienced 3 field trips this month, which were Guinness World Records, Pearsall Park, and Farmer's Market. The trips were very educational and fun! With all the cooking experiments, we created a cook book for our class. We all agree the summer has kicked off awesome, and we are all excited for the month of July!
