July 2021

Directors Corner

Happy July! We are having a great summer, staying busy, and trying to beat the heat. Thank you for all the popsicle donations! They make splash days extra special.

August is quickly approaching, and we are very excited about the upcoming school year! We have scheduled Meet the Teacher/Open House Night and we are excited to discuss classroom expectations, new curriculum, and answer any questions you may have about your child's new classroom. In anticipation of the start of the school year we will also bill curriculum fees. These fees are based on classroom placement and are due by August 16th. We are so happy to have your family with us for another fun filled school year.

If you ever need anything, please do not hesitate to email me, or stop by the front office.
