

Directors' Corner...

July has arrived! We have jumped right into our Summer Curriculum and are enjoying our time as explorers. Each of our classrooms has been beating the heat once a week for Splash Day and some of our classrooms have been making fruit-sicles or yogurt pops as a way to cool down in the afternoons! The summer days are the best days. We always keep safety in mind and watch the weather for daily updates on any possible Weather Advisories to ensure that the temperature and humidity levels are safe for children to play outside. When needed, we make adjustments to the length of time outside and we provide drinking water at all times while outside. If you would like your child to take a water bottle outside during playtime, feel free to bring one and the teachers will make sure it goes to the playground with your child. If you have not done so already, please make sure that you have provided sunscreen and bug spray to your child's classroom, and that you stop by the front desk to complete an authorization form! We know that the recent record-breaking temperatures we have been experiencing, we want to do all we can to keep our little friends safe!

Mark your calendars now for our Parent Orientation, scheduled for August 19th. While we will be CLOSED that day in preparation for another fabulous school year, we look forward to seeing each of you that afternoon for important information about your child's new classroom and teachers for our Fall 2022 session. We will send out an email in August with details about your child's new classroom for the upcoming school year and information about their teachers and planned curriculum. We know that transitions can be challenging for some children, but hope that conversations about all of the new and exciting fun up ahead will help settle their nerves.

Last month, it was wonderful to see so many dads and dad-figures who joined us for Donuts with Dad! We have missed these events over the last two years and know that many of you have as well. What a joy to have them back and be able to share them with each of your families!

-Courtney and Marisa

Upcoming Dates

August 10th—First day of school for BISD students

August 19th —CLOSED for Teacher Work Day

August 19th—Parent Orientation

August 22nd—First day of school for NISD students and Lighthouse

September 5th—CLOSED—Labor Day

ROOM 1

Welcome to July! I look forward to getting to know each of your families and doing some neat sensory activities with your little ones. Our shape of the month is the octagon and our colors will be red, white, and blue as we go patriotic. We will be learning “hurt” as our sign of the month and will learn some new songs. Looking forward to lots of fun!

-Ms. Brianna and Mrs. Eva

Room 2

In July we will continue our sensory activities! We will also be learning about things inside and out and will look at and learn about our shape of the month: the octagon. This month our colors will be red, white, and blue as we go patriotic. We will practice learning the sign for “hurt” and will be singing The Hokey Pokey. It is sure to be a great month!

INNOVATIONS

Infant I, II & III

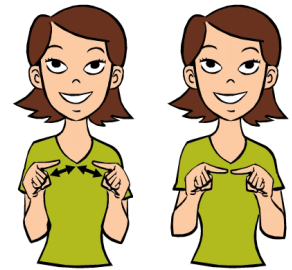

Theme: Inside/Outside

Color: Red/White/Blue

Shape: Octagon

Spanish: Tortuga

Sign: Hurt

ROOM 3

Goodbye to June and Hello to July! This month our theme will be inside and outside and our colors will be red, white, and blue. Our shape is an octagon and we look forward to exploring the different places in our world that we see that shape! We are so excited for the many summer activities to come. Be on the lookout for the artwork we will be sending home each week!

Have a wonderful summer!

-Ms. Tabby and Ms. Abrana

INNOVATIONS

Toddlers

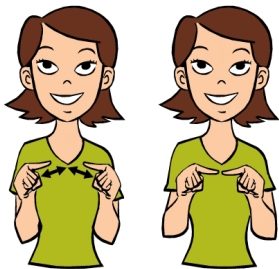

Theme: Water

Color: Red/White/Blue

Shape: Octagon

Spanish: Tortuga

Sign: Hurt

ROOM 4

Happy July! This month our theme is "Storybooks" like Brown Bear, Brown Bear, The Very Hungry Caterpillar, and more. We will be digging deep into these stories and have some fun art projects coming along with them. Keep your eyes open because we are also making some Brown Bear Brown Bear slime!!

-Ms. Angie and Ms. Marianna

Summer Curriculum

THEME: Ocean/Beach/Gardening/
Camping

CHARACTER VALUE: Good Citizens

We Take Care of our Community

Room 6

Happy July! This month we will learn about different parts of our body and explore our bones as well as how we see, hear, touch, smell, and taste. We have a special skeletal x-ray art activity planned. We are also going to do some chemistry and discuss solids, liquids, and gases. We plan to make our own kinetic sand, do a cooking project, and some fun science experiments. Keep an eye out for pictures of all the fun we have planned for July!

-Ms. Stephanie

Room 5

Welcome to July! We will spend this month partnering with our neighbors next door in Room 4 as we explore "Storybooks" like Brown Bear, Brown Bear, The Very Hungry Caterpillar, and more. We will be digging deep into these stories and have some fun art projects coming along with them. Thank you for all you do to help our classroom. We are very thankful.

-Mrs. Jackie and Ms. Jeniffer

ROOM 7

July is here! We love watching our Little Explorers in action as they dig deep into their science projects. We hope that you have been enjoying the pictures of our little learners doing so many fun activities! The rest of the month we will have so much fun doing crafts about our favorite books and practicing rhyming with nursery rhymes. Be on the lookout for the many activities and art projects that we will be sending home!

Have a great month.

-Ms. Kolleen and Ms. Shaquoyah

ROOM 8

Welcome to July! The highlight of our summer so far has definitely been Splash Pad Day and we have loved playing in the water. We are looking forward to more Splash Days and all of the fun activities we have planned. We will be sending your child's artwork home on Fridays so that you can keep up with all the fun projects we are doing each day.

-Mrs. Valerie and Ms. Miranda

APK

We have been spending the remaining time before school starts getting ready for Kindergarten. Please remember to sign up for After School pick up for your upcoming Kindergartener if you have not done so already, so that we can make sure we have a spot saved on the bus roster for your child.

-Mrs. Eileen and Ms. Mary

Summer Camp

It is hard to believe how fast June has gone, but July has arrived. It has been an exciting first few weeks to summer camp but the fun is not over yet. We have been staying busy with all of the fun right at Lighthouse! Races, water activities, trivia games and a few field trips. We are excited for another month of fun.

-Mr. Jeremiah and Mr. C

Congratulations...

Please join us in sending some well-deserved kudos to Ms. Jackie! We are thrilled to give this award to Ms. Jackie this month because she is such an incredible gift to our school. She has spent years as a positive influence on the lives of so many of the children at Two Creeks and is a celebrity in every classroom she visits! She helps welcome our toddlers starting their day in the mornings and she is also a super fun bus driver and camp counselor for our School Agers on their field trips. Her versatility is a gift and we are so thankful for all she does to make Two Creeks shine! Congratulations to Ms. Jackie!

Summer Fun...
