July 2024

## Directors' Corner...

July has arrived! We have jumped right into our Sesame Street Summer Curriculum. Each of our classrooms has been beating the heat once a week (twice for Room 10!) for Splash Day and some of our classrooms have been making fruit-sicles or yogurt pops as a way to cool down in the afternoons! Summer days are truly the best days. We always keep safety in mind and watch the weather for daily updates on any possible Weather Advisories to ensure that the temperature and humidity levels are safe for children to play outside. When needed, we make adjustments to the length of time outside and we provide drinking water at all times while outside. If you have not done so already, please make sure that you have provided sunscreen and bug spray to your child's classroom, and that you stop by the front desk to complete an authorization form! We know that the recent record-breaking temperatures we have been experiencing, we want to do all we can to keep our little friends safe!

Mark your calendars now for our Meet the Teacher, scheduled for August 16th. While we will be CLOSED that day in preparation for another fabulous school year, we look forward to seeing each of you that afternoon for important information about your child's new classroom and teachers for our Fall 2024 session. We will send out an email in August with details about your child's new classroom for the upcoming school year and information about their teachers and planned curriculum. We know that transitions can be challenging for some children, but hope that conversations about all of the new and exciting fun up ahead will help settle their nerves.

Last month, it was wonderful to see so many dads and dad-figures who joined us for Donuts with Dad! What a joy to be able to share these moments with each of your families!

### ROOM 6

This month, we will be learning all about Our Community! We'll be reading fun books including "Sesame Street: The Together Book" and "Me Love to Share with Cookie Monster". Our friends will be getting messy with making Buddy Bugs, Starfish Hands, and exploring different colors.

Ask us to sing the "Letter Song"!

-Ms. Lexi

### ROOM 5

Summer's in full swing! This month, we have lots of fun art coming up! Be on the lookout for Patriotic Neighborhood Fireworks Painting, Buddy Art, Colorful Handprints, and Bert & Ernie's Caring Faces. We hope everyone has a fun and safe Fourth of July!

-Ms. Angie, Ms. Alivia & Ms. Kayla

### ROOM 7

July is here! We love watching our class in action as they learn all about our community. We hope that you have been enjoying the pictures of our little learners doing so many fun activities! The rest of the month we will have so much fun doing crafts reading our favorite books and playing our favorite games. Be on the lookout for the many activities and art projects that we will be sending home!

-Ms. Kolleen & Ms. Cailee

## ROOM 8

Welcome to July! The highlight of our summer so far has definitely been Splash Pad Day and we have loved playing in the water. We are looking forward to more Splash Days and all of the fun activities we have planned. We will be sending your child's artwork home on Fridays so that you can keep up with all the fun projects we are doing each day.

-Ms. Valerie & Ms. Paige

## ROOM 9

Wow! July is already here! This month, we'll continue getting ready for kinder as we review our letters, sight words, and everything in between! We're planning an emoji fest, will be doing group relay races, and discussing what it means to be a good citizen.

Please have a safe holiday!

-Ms. Eileen & Ms. Stephanie

## ROOM 10

It is hard to believe how fast June has gone, but July has arrived. It has been an exciting first few weeks to summer camp but the fun is not over yet. We have been staying busy with all of the fun right at Lighthouse! Races, water activities, trivia games and some super fun field trips. We are excited for another month of fun before school starts.

-Ms. Abrana & Ms. Taliyah

Congratulations...

To Ms. Lisa! You can find Ms. "Wisa" dancing in her classroom, rocking out on the school bus, or just making the rest of the team smile! Her class has a higher number of food allergies than most and this month, we introduced a special menu in the room in an effort to help raise the safety level across the board. She was a rockstar communicator and the launch went off without a hitch! She is a fantastic part of the team and we just love her!
