

JULY NEWSLETTER 2025

Dear Families,

We hope you had a wonderful Fourth of July, filled with joy, laughter, and the spirit of community. As we move forward into this exciting time of the year, we are thrilled to continue working with you and your children.

2 SPLASH PAD FUN

Our splash pad activities have been an absolute thrill for the children! Weather permitting, we aim to continue this fun throughout September. It's a refreshing way for kids to enjoy the outdoors while staying cool and active.

3 COMMUNITY CARE

Please encourage your children to take part in caring for our community, especially focusing on the parking lot. Here are some simple ways to make a difference:

- Keep the parking lot clean and tidy.
- Ensure it remains free of paper, food, trash, and other litter.

Together, we can create a cleaner, more welcoming environment!

1 PATRIOTISM AND CHILDREN

The Fourth of July is a wonderful opportunity to teach children about the values of unity. American patriotism is a sense of national pride and commitment to the United States' values, such as freedom, democracy, and equality. These values can be shared by people from different cultures, reflecting a universal appeal that transcends borders. It encourages citizens to contribute positively to their community and honor past sacrifices. Teaching children about patriotism involves introducing national symbols through activities like crafting the flag, sharing stories of historical figures, and celebrating national holidays. Encouraging engagement through community service and promoting appreciation for diversity are also crucial. Leading by example helps children adopt patriotic values, turning them into informed and responsible citizens.

④ SHOW YOUR THANKS

Being thankful can uplift our mood and strengthen our bonds with others.

Why Teach being thankful

- Boosts Mood: Focusing on the good can reduce worries.
- Improves Relationships: Saying "thank you" shows you care.
- Builds Strength: Helps handle tough times.

Many of you have shared your thankfulness for your child's teacher. One meaningful way to express this appreciation is by leaving a review for your teacher on Google. It's a gesture that can truly uplift their spirits.

⑤ EARN 1 FREE WEEK!

You can earn a complimentary week by referring a friend! Once they enroll, you'll receive your free week to use for vacations or however you prefer, after one month of your friend's stay.

⑦ WHERE EVERYBODY KNOWS YOUR NAME

We are always here for you, thanks to our open-door policy. If you have any concerns, please don't hesitate to schedule a time with our administration. Sometimes, casually mentioning your worries may not fully convey your needs or how we can assist you. We aim to collaborate with you to ensure your experience here is as comfortable as possible. Share what's on your mind, and let us know how we can help.

⑥ ATTENTION!

After 9:30 a.m., we will not be able to accommodate late arrivals for children in rooms 3 through 10. This policy ensures that all children benefit from a full and uninterrupted day of learning, while minimizing disruptions to the classroom environment.

⑧ TRANSITIONING TO ROOM 7

Move-ups are right around the corner! If your child is advancing to Room 7, please continue working on potty training at home, as we will be doing the same here. Remember, for your child to progress to Room 7, being fully potty trained is essential.

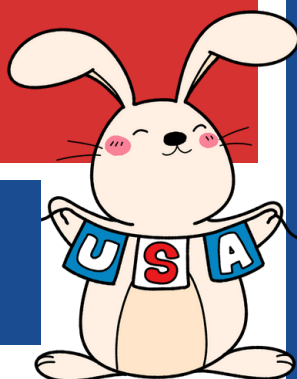

9 WHAT'S HAPPENING THIS MONTH

We have an array of engaging activities planned to ensure a fun and educational experience for all children. Here's a sneak peek of what's in store:

- **Joyful Clowns:** Understanding clowns as individuals who bring joy and laughter.
- **Vocabulary Expansion:** Introducing new words such as yellow, circus, clown, park, garage, parade, doctor, and kitten.
- **Letter Learning:** Exploring the letters c, l, and b.
- **Color Exploration:** Focusing on the vibrant colors red and yellow.
- **Creative Matching:** Developing skills by matching pictures to create complete images.
- **Numerical Understanding:** Grasping quantities and their symbols.
- **Pet Discussion:** Understanding the importance of pets and identifying various dog breeds.
