July 2025

Directors' Corner...

July has arrived! We have jumped right into our Summer Curriculum and are enjoying our time as explorers. Each of our classrooms has been beating the heat once a week for Splash Day. The summer days are the best days. We always keep safety in mind and watch the weather for daily updates on any possible Weather Advisories to ensure that the temperature and humidity levels are safe for children to play outside. When needed, we make adjustments to the length of time outside and we provide drinking water at all times while outside. If you would like your child to take a water bottle outside during playtime, feel free to bring one and the teachers will make sure it goes to the playground with your child. If you have not done so already, please make sure that you have provided sun-screen and bug spray to your child's classroom, and that you stop by the front desk to complete an authorization form! We know that the recent record-breaking temperatures we have been experiencing, we want to do all we can to keep our little friends safe!

Mark your calendars now for our Meet the Teacher, scheduled for August 8th. While we will be CLOSED that day in preparation for another fabulous school year, we look forward to seeing each of you that afternoon for important information about your child's new classroom and teachers for our Fall 2025 session. We will send out an email in August with details about your child's new classroom for the upcoming school year and information about their teachers and planned curriculum. We know that transitions can be challenging for some children, but hope that conversations about all of the new and exciting fun up ahead will help settle their nerves.

Last month, it was wonderful to see so many dads and dad-figures who joined us for Donuts with Dad! What a joy to be able to share these moments with each of your families!

-Marisa and Alex

Upcoming Dates

August 8th

Staff Development (closed)

Meet the Teacher

From 4-6

August 11th

First day of school for NISD
students

August 12th

First day of school for BISD
students

September 1st

Labor Day (school closed)

- After Schoolers

ROOM 1

Welcome to July! I look forward to getting to know each of your families and doing some neat sensory activities with your little ones. Our shape of the month is the star and our colors will be red, white, and blue as we go patriotic. We will be learning “hot” as our sign of the month and will learn some new songs. Looking forward to lots of fun!

-Mrs. Eva & Ms. Malisa

Infants (Rooms 1,2,&3)

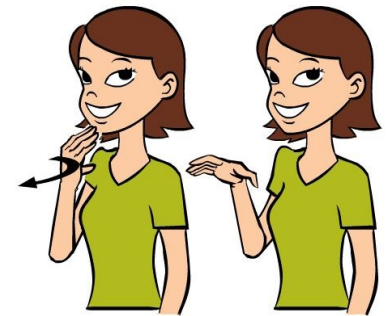

Theme: My Community

Color: Red/White/Blue

Shape: Star

Spanish: Red, White, Blue

Sign: Hot

ROOM 3

Goodbye to June and Hello to July! We will continue with our splash days on Thursdays, so keep bringing those suits! We'll be making tons of different masterpieces, building different kinds of towers and learning lots about our community.

Have a wonderful summer!

-Ms. Brianna & Ms. Brooke

Room 2

In July we will continue our sensory activities! We will also be learning about our theme “My Community” and will look at and learn about our shape of the month: the star. This month our colors will be red, white, and blue as we go patriotic. We will practice learning the sign for “hot” and will be singing tons of songs. It is sure to be a great month!

-Ms. Jessica & Ms. Chasity

Toddlers (Room 4)

Theme: My Community

Color: Red/White/Blue

Shape: Star

Spanish: Red, White, Blue

Sign: Hot

ROOM 4

Happy July! This month, we'll be very busy having fun. We will be building an airport, building bridges, painting with red, white, blue, and so much more! Ask your child to sing "The Fireworks Song"!

-Mrs. Lisa, Ms. Shelly, & Ms. Tayler

Summer Curriculum

THEME: My Community

CHARACTER VALUE: Good Citizens

We Take Care of our Community

Room 6

July has been a fun-filled and creative month in Room 6! We've continued building on our letter recognition and tracing skills, with lots of hands-on activities to help reinforce both. The children have been working hard on identifying letters, practicing the correct strokes, and taking pride in their progress—way to go, Room 6!

This month, we've also been learning about our **community**. Through books, discussions, and themed activities, we've explored the different helpers and places that make our neighborhoods special. The children especially enjoyed pretending to be firefighters, doctors, and postal workers in our dramatic play area!

To tie it all together, we've incorporated **many different kinds of processed art projects**—

We're so proud of all the learning and growing happening in Room 6. Here's to more fun and discovery in the weeks ahead!

-Ms. Lynda

Room 5

Happy July from Room 5! This month, we're focusing on the character value of being a **Good Citizen**—a wonderful opportunity for our class to learn about kindness, responsibility, and how we can all make a positive difference in our community. Through group discussions, stories, and classroom jobs, we're practicing ways to be helpful, respectful, and caring toward others.

Our monthly theme, "**My Community**," ties in perfectly! We're exploring the people and places that help our neighborhoods thrive—from teachers and doctors to mail carriers and firefighters.

We're so proud of the way our Room 5 friends are growing into thoughtful, responsible citizens. We can't wait to see what the rest of the month brings!

-Ms. Angie, Mrs. Alivia and Ms. Kayla

ROOM 7

July is shaping up to be a month full of learning and growth in Room 7! We're starting the month by reviewing all the letters we've learned throughout the school year. Through fun games, songs, and tracing activities, the children are reinforcing their letter recognition and handwriting skills, setting them up for continued success.

We're also excited to introduce a new theme—**Good Manners**—with the help of *Clifford the Big Red Dog*! Using stories and activities centered around Clifford, we'll explore important social skills like saying "please" and "thank you," taking turns, listening respectfully, and showing kindness to others. These lessons are a great way to support positive behavior and build strong classroom relationships.

Have a great month.

-Ms. Christi and

Ms. Kayla

ROOM 8

Welcome to July! The highlight of our summer so far has definitely been Splash Pad Day and we have loved playing in the water. We are looking forward to more Splash Days and all of the fun activities we have planned. We will be sending your child's artwork home on Fridays so that you can keep up with all the fun projects we are doing each day.

-Ms. Kolleen and Mrs. Cailee

APK

July in Room 9 is all about celebrating growth, memories, and big milestones. As we approach the end of our time together, we've been spending these last special moments enjoying time with our amazing kiddos before they head off to kindergarten!

This month has been filled with reflection, fun, and making the most of every day. From revisiting favorite activities to sharing our favorite classroom memories, the children have been soaking up every moment with their teachers and friends. We've also been talking about what to expect in kindergarten—reading stories, practicing routines, and building excitement for this exciting next chapter.

-Ms. Eileen and Ms. Valerie

Summer Camp

July has flown by in the best way possible—packed with sunshine, laughter, and tons of summer fun! Our campers have been busy enjoying a variety of exciting activities, from creative arts and crafts to outdoor games and themed days that kept everyone smiling. One of the highlights this month has definitely been our **field trips**! The campers have had a blast exploring new places, trying new things, and making unforgettable memories with their friends and counselors. It's been wonderful watching everyone bond and build confidence while experiencing something new each week. As we head into the final stretch of summer, we're looking forward to even more fun, more friendships, and more great adventures!

-Ms. Lexi

Congratulations...

We are thrilled to recognize Ms. Christi as our Employee of the Month for July! Since joining our team in March, she has made an immediate and lasting impact. Stepping into the lead position in Room 7, Ms. Christi brought strong leadership, and a calm, presence that has truly elevated the classroom environment.

We are incredibly grateful for Ms. Christi's dedication, adaptability, and the way she stepped up when it mattered most. Room 7 is thriving under her guidance, and we look forward to all the great things ahead.

Congratulations, Ms. Christi!

Summer Fun...
