

The Lighthouse

July 2021

IN THE NEWS

We have had a wonderful kick off to summer, enjoying warm weather, some lighter curriculum and of course the opening of our splash pad!

July is looking very similar as our summer camp program continues to roll on seeing us on field trips to Movies 14, Pioneer Farm, Monster Golf, the Austin Aquarium and more. And the fun doesn't stop for the rest of our classes either! We will continue to have special in-house guests from the Esteem Learning Lab and The Traveling Trunk visit with all of our friends.

We look forward to another wonderful month and with all of our amazing Lighthouse families!

IN-HOUSE VISITORS

ESTEAM Learning

Labs 7/14: Budding engineers will be given age-appropriate LEGO® lessons and games, and LEGO® sets with plenty of instructors to help with building. We focus on creating a fun, friendly, and caring environment for our youngest LEGO® builders! They will be challenged with the LEGO® WeDo robotics program where they will build & program their own robotic creations and learn about coding, engineering, gears, pulleys, levers, and more!

**The Traveling Trunk
via Williamson Co
Museum 7/21:** Students will learn about Archeology and History through hands-on activities , art, mock archeological digs and more!

INDEPENDENCE DAY PARADE

On July 2nd, students will do a school-wide parade around the campus wearing red, white and blue. We will listen to patriotic music and do some fun activities outside to celebrate.
