July 2025

Theme of the Month: *Community*

This month, all of our learners will learn about this month's theme, Community, and how to be a good citizen, with the help of Bailey the Bald Eagle.

Bailey the Bald Eagle

Being a Good Citizen • U.S.A. • North America

Bailey lives in the United States of America, high up in a tree. She is a good steward of her community because she cleans up branches, weeds, and feathers she finds on the ground. Bailey uses what she finds to build her nest.

We Are Stewards of Our Community

This month, our youngest learners in Rooms 1-3 will be learning these colors, shapes, and sign language. They'll get festive while learning and singing the "Fireworks Song"!

Center Spotlight

Teacher of The Month:

Ms. Jenny, Ms. Makayla and Ms. Genesis, Room 6

Our Room 6 teachers went above and beyond last month, planning and organizing an incredible graduation ceremony for our PK kiddos! They recited the pledge of allegiance, sang songs in Spanish and sign-language, and put on a GREAT celebration performance! We couldn't be more thankful for our teachers that put so much hard work in to the event bringing it to life. Thank you teachers!
