Newsletter

Room 1

Ms. Diana, Ms. Teresita, & Ms. Estrella

In May our little ones learned about the color "Pink". We enjoyed singing "Eye Winker Tom Tinker", this month our class enjoyed exploring and learning about "Me" as we made a photo collage of the things we did here in school. We made a flamingo, ice cream cones, and pigs using our handprints and footprints. We hope everyone had a wonderful Mother's Day!

Parent Meeting

6:45p.m. - 8:00p.m.

For all summer camp parents!

Room 2

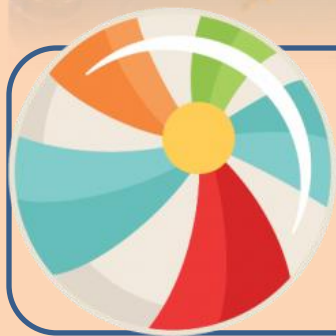

Ms. Mary Ann, Ms. Shantel, & Ms. Alyssa

This month was a lot of fun, we learned "All About Me" and what we can do. We created crafts using the color Pink with our foot prints and hand prints. We made flamingos, crayons, triangles, butterflies, and pigs. Our favorite part was decorating flower pots for Mother's Day. We hope all of our Mothers had a great Mothers Day! May was also Parent and Teacher Appreciation weeks. A big thank you to all of our parents for our wonderful gifts, they were greatly appreciated. We wanted to let you know that we also appreciate each and every one of our parents!

Welcome to Room 2 Gabriel P.!

Rm 3 – 8:30-9:00

Rm 4 – 9:00-9:30

Rm 5 – 9:30-10:00

Rm 6 – 10:00-10:30

Rm 7 – 10:30-11:00

Rm 8 – 11:00-11:30

Room 4

Ms. Leslie, Ms. Ashley, & Ms. Chelsea

In the month of May we got to learn about "Me and My Body". We had the most fun singing "Head, Shoulders, Knee's and Toes". We had a lot of fun painting, we enjoyed getting messy and admiring our master pieces after. Also we got to play with a sand sensory table and with our pink sensory bottles. May was an awesome month for us, we can't wait to see what June brings for us.

Rhymes: "This is the Family"
Song: "I'm Bringing Home Baby Bumble Bee"

Room 5

Ms. Amber, Ms. Maricela & Ms. Diana C.

The month of May was fantastic! We had a wonderful time learning about the "Ocean", "Plants", and "Flowers". We had a lot of fun planting beans in zip lock bags and watching them grow through out the month while learning about the different stages of the plant life cycle. We also enjoyed talking about our Mommies, and about all the reasons we appreciate them. When learning about the Ocean we got to make our own oceans in baggies, turtles with our hands, and we pretended we were at the beach while making some flip flops with our footprints. We're looking forward to summer and all it has in store for us!

Welcome to room 5 Caroline, Katie & Annalise.
Happy Birthday to Ava (6/7), Emma (6/16) & Noah (6/18)!

Room 6

Ms. Brittney, Ms. Diana O., & Ms. Sarah

May was so much fun. We learned about flowers, plants and ocean animals. At the beginning of the month we grew our own plants from beans, it was so much fun to watch them grow. We also learned about all different types of plants and we discussed their differences. We got to talk about many different ocean animals and we learned the difference between a gray whale and a killer whale. We are sad to see May go but we are so excited for June!

Parent's Night Out

June 16, 2017 6:45 p.m-11:00p.m

1 Child - \$35

2 Children - \$50

Additional Children \$10

Per Family

Educational Child Care With a Purpose®

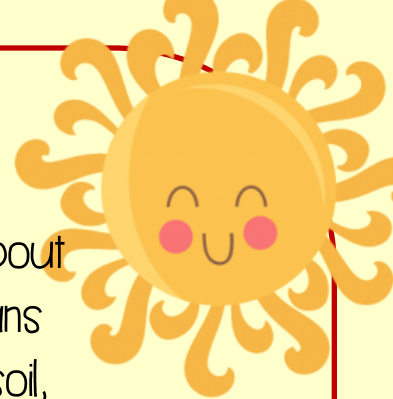

At Potranco

If you have any questions please call 210-679-5478. This event is open to the public.

Room 7

Ms. Yvette & Ms. Olivia

We learned about the Ocean and the fish that live in it. Ask me about the largest and smallest fish in the world and what the five oceans are. We learned that plants need four things to live; air, water, soil, and light and that all plants come from seeds. We planted flower seeds to take home and made our own salt water ocean.

Room 8

Ms. Shana, Ms. Vanessa, & Ms. Jocelyn

Fe Fi Fo Fum! Plants and flowers was May's theme for the month. We all loved the story of "Jack and the Beanstalk", we had the audio book and loved to listen to it after recess. We even planted our own beanstalks! Our favorite song this month was "I'm a Little Daisy" ask me how it goes. Ocean animals was our science and nature theme for May and we talked about all kinds of ocean animals. Ms. Vanessa made us an "Under the Sea" adventure with our ocean animal crafts. We learned how an octopus' tentacle's function and how an octopus defends itself.

POOL
Party

425 Groesenbacher Road San Antonio, Texas 78245

Saturday, June 24th, 2017

8 am - noon

Please stop by the front to sign up!

Room 9 ASC

Ms. Kandice & Mr. Jeremiah

This month we learned about the Rainforest and all the animals that live there. We created a lot of cool art projects and we were really creative with bubble wrap and paint. We also talked about what we would do if we met a gorilla. We even did a cool science experiment to show us the weather conditions in the rainforest. We loved making our mom's their Mother's Day crafts. We are very excited for summer and all the adventures we are going to have, and all the memories we will be making together.

**Happy Birthday to Julian (6/7), Marco (6/11), Essence (6/29),
& Aiden R. (6/29)!**

Room 10ASC

Ms. Rachel

During the month of May we learned about the Pilgrims coming to the new world. We discussed their hopes for the new land and how difficult it was to leave everything behind. We learned about the first 3 colonies including the missing colony of Roanoke and also how they turned into the 13 colonies, which later became the states. We pretended to step into the lives of 5 different colonists to see how their lives were different from each other. We discussed how influential the Native Americans were including how Maize changed the way Colonists ate. We created a Colonial town mural and made a class quilt. We also created cards for our Mother's day craft. We are so excited for summer to start.

Happy Birthday to Rhys (6/1), Isaiah (6/8), Maki (6/9), Gabriel (6/11), Adelaide (6/13), Christian (6/17), Tyrone (6/22), Aniya (6/24) & Braelynn (6/24).
