SUMMER

We are so excited to kick off our amazing summer schedule! We have tons of fun field trips and activities planned for our favorite kiddos this summer! If you have not picked up your summer calendars, please let us know so that we can email them to you. Also, please make sure you have a sunscreen/insect repellent permission slip on file!

For your child's safety, we require them to wear closed toe shoes that buckle, Velcro, or tie onto the foot to provide for proper protection. On splash days we require swim shoes! Kids love splash days and love to run around and enjoy their splash activities so having the proper shoes is super important!

For the month of June we will be learning the following:

Room 1-4

Theme: Summer Splash

Sign: Dog

Shape: Square

Color: Pink

Song: Row, Row, Row Your Boat

Finger Play: Frogs in the Pond

Director's Corner

Dear Parents,

Safety is of the utmost importance!! Please educate your children on the importance of how to properly hydrate as well as the importance of sunscreen.

Also, we ask that your children come to school with the proper foot wear and clothing. We require that all children wear closed toe shoes that buckle, Velcro, or tie onto the foot for proper protection.

All children should bring extra changes of clothing in case of accidents. To all of our new families, welcome to Children's Lighthouse. We are so happy to have you! Let's have a great summer!
