

WHY DO BANANAS USE SUNSCREEN? BECAUSE THEY PEEL!

JUNE 2024

DIRECTORS CORNER

What a year it has been so far! I can't believe that Summer is already here! We have so much fun stuff planned for everyone this year; from field trips for our summer camp kiddos to our NEW Fun Fridays from rooms 3-8!

We will also be doing our first 'Picnics on the Playground' on June 18th for National Picnic Day! Family and friends are welcome to join their little ones on the playgrounds between 11a-12p for food and fun! We'll extra blankets, but you are welcome to bring your own blankets!

With temperatures rising please make sure to pick up a sunscreen and bug spray form at the front! Outside time in the afternoons will also be limited, but we can ensure your little ones will be participating in some extra fun inclement weather activities inside to keep them moving!

As always, my door is always open if you ever need to talk! I hope you all have a wonderful month and let's have a super summer!
