

June Newsletter

Hello Lighthouse families, it was a great month with many fun filled activities. We hope you all had an awesome 'Mothers Day' with your little ones. Thanks for pouring your love with delicious food and cute gifts for all of us. We so very much appreciate it. I am sure all the moms who came on Friday enjoyed the muffin and some manicure. PNO was super fun for the children who attended. Another great was 'Book Fair'. Many families bought the books. It is so important to introduce reading at this young age. Also a big thanks to the parents for donating books to the classroom. Pre-K prom was a special highlight of the month. It was so cute to see our Pre-K students come dressed up and get the experience of prom night. How can I forget our Pre-K graduation. It was so emotional to see our little graduate walk to the podium to receive the 'Diploma'. The graduation songs made many very emotional. We wish our little graduate a great luck in their 'big school'. They learned many life skills and will keep on exploring and learning new skills to be successful in life. We wish them all the very best!!

We wish all the Dads, Grand dads, Uncles, and Father Figures in the family 'a Very Happy Father's Day'!!

Please make sure your child has weather appropriate and right size clothes in their cubbies. Make sure to have close toes sandals to avoid tripping.
