

A Message from the Director

Welcome Summer!

Summer has officially arrived, and we are excited for a season filled with learning, laughter, and adventure! Our classrooms will continue providing engaging activities that encourage curiosity, creativity, and exploration while helping children build important academic and social-emotional skills.

As temperatures rise, please remember to send your child with weather-appropriate clothing, closed-toe shoes for outdoor play, and any extra clothing needed for water activities or outdoor adventures.

Summer Safety Tips

As we enjoy summer fun, please help us keep all children safe by:

- Applying sunscreen before arrival when appropriate.
- Sending a labeled water bottle each day.
- Ensuring emergency contact information is current.
- Providing an extra change of clothes.
- Following all illness exclusion policies to help keep our school healthy.

Spotlight Corner

☀️ Summer Adventures ☀️

Summer is the perfect time for children to explore, discover, and grow through hands-on learning and play. This month, our little learners will enjoy outdoor exploration, creative activities, sensory experiences, and opportunities to build friendships while having fun.

Families can continue the learning at home by taking nature walks, visiting parks, reading together outdoors, or creating sidewalk chalk masterpieces.

☀️ "Summer is not just a season; it's a time for little minds to bloom." ☀️

Did You Know?

Did you know that children learn some of their most important life skills through play?

During the summer months, outdoor exploration, creative activities, and hands-on experiences help children strengthen problem-solving skills, build confidence, improve social interactions, and develop a lifelong love of learning.
