June 2026

Character Value of the Month:

This month's theme is "Courage." With the help of our character value friend, Hamet the Hippo, students will learn what courage means and discover that it involves being brave even when they feel nervous or unsure. Children will explore how courage can look like trying new things, asking for help, standing up for others, and making good choices, even when those choices are difficult.

Hamet the Hippo

Courage • Zambia • Africa

Hamet lives in the rivers of Zambia. This hippo shows courage when he is in the water because he cannot swim or float. Hamet has learned to use his strong legs to bravely walk through the water.

We Are Brave and Strong

This month in the Bright Care classrooms, infants will explore the joys of summer through sensory play, songs, and hands-on experiences. Children will enjoy activities featuring water, boats, flowers, seashells, beach toys, and dramatic beach play, while singing favorites such as "Row, Row, Row Your Boat" and exploring frogs in the pond through prop box play.

This month in the Cares Classrooms, children will enjoy exploring feelings, adventures, and the excitement of summer through engaging activities, creative play, and storytelling. Using our book of the month, Daniel Tiger, children will learn to recognize and express different emotions while building social-emotional skills such as empathy, kindness, and self-awareness. Through our Summer Splash theme, they will discover seasonal fun and summer adventures through art projects, sensory experiences, group discussions, and musical exploration, learning about different instruments, the sounds they make, and how music helps us express ourselves.
