Meet Ms. Gabby

Assistant Teacher Preschool 3s

Ms. Gabby Gonzales joined our team in June 2020. She loves working with children because it comes naturally to her. One of her teacher superpowers is that she enjoys getting down to her children's level, literally, and helping them learn through play.

Little Known Facts

- She is a San Antonio native.
- In high school, she played basketball.
- She is majoring in Kinesiology.
- She is the middle child in her immediate family and the only girl.
- Favorite food: Hamburgers
- Favorite vacation: Anywhere with a beach
- She likes to go two-stepping with her boyfriend, in her spare time.
- She joined our team during covid and looks forward to seeing parents in our building very soon.

June News & Events

SUMMER information

School Age Mandatory Summer Paperwork

Stop by on June 1 to complete permission slips, turn in school-ager agreement and receive your camp t-shirt.

Apply sunscreen at home

Please make sure to apply sunscreen every morning for children in Rooms 4 and up. This greatly helps us to have more time to play.☺

Apparel

While flip-flops are cute for summer, they are not the safest footwear.

Any sandal your child wears must cover their toes and adhere to the ankle.

Scheduled Events

We will make every effort to not cancel an event unless, required to by the state.

Our goal is to give you a cancellation notice a week prior, whenever we can. We will also work to create an alternate event to take place whenever possible. Thank you for your understanding during this time.

Happy Birthday

Megan Taylor has been named
Education Specialist for our school and
Ketty Requejo has been named
Health & Safety Coordinator.

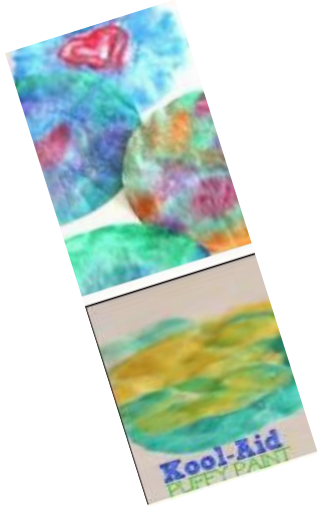

Please make sure to congratulate these
amazing team members
and. We look forward to them supporting our
school's mission.

Our Mission Statement

Our goal is to nurture the development of each child's full potential—intellectually, emotionally, socially, and physically—in an atmosphere of safety and trust.
