

CHILDREN'S L I G H T H O U S E EARLY LEARNING SCHOOL

May has flown by! We are looking forward to the summer months and to all of the fun that comes along with them!

Thank you to all the Moms and Mother figures who celebrated Mother's Day with us. We had so much fun at our Tea Party. More importantly, it was so nice to have parents celebrating with us on these special occasions. This month, we are celebrating Dads and all Father Figures in our lives. We invite all Dads, Grandpas or Father figures to join us for Floats with Fathers on June 14th at 3:30pm.

We are so thankful to all of our families that helped us make our Teacher Appreciation week one to remember. We thank each of you for being a part of our community. It has been 7 years since we opened our doors. In that time, we have seen the area grow by leaps and bonds. We are so thankful to everyone. We look forward to many more years with our amazing staff and families.

Splash Days begin June 3rd. Please check with your child's teacher for any special instructions. More information about Splash Days is on page 2 and 3. Please review as soon as possible.

Our School-Age Summer Camp begins Tuesday, May 28th. Please be aware that permission slips must be signed in order for your child to participate in our field trips. If you have not received a Summer Camp packet, please stop by the front desk for everything you need to be ready for summer. This is applicable to School-Age children only.

SHOES

As the summer months begin we want to remind you that closed-toed shoes are a requirement for all children. We know that sandals and flip-flops are the preferred attire for these hot days; however, they are a hazard on the playground. We ask that you please provide appropriate closed-toed shoes for your child's safety.

OUTSIDE TIME

Summer is here and it is going to get hotter. As the temperature rises it will mean an end to afternoon outside time. On days when the temp is over 99 (feels like temp) degrees, we will not attempt to go outside. On other days, we will be outside for short periods of time. All children in care should be able to be outside during the summer months. Unfortunately, we do not have availability to place your child in another classroom during outside time. If your child is unable to participate in all scheduled activities, please keep your child home.

ABSENTEE CREDITS

With the holidays coming up, and vacation plans revving up, we wanted to explain how absentee credits are applied.

Absentee Credit:

Each child who attends **FULL TIME** ***(RESTRICTIONS APPLY)*** receives 5 Absentee Credits a year. (enrollment year)

Credits are applied when your child is out 3 or more days within the week consecutively and our closure dates do not apply to those 3 days. For Example, we will be closed Christmas eve and Christmas day. Those days do not count towards your 3 consecutive days of absences.

How it works:

Parent fills out an absentee form and submits before the dates of the absences

Parent must pay for the absentee week at 60% ahead of time

Account is billed for full amount of tuition

Account is given a 40% deduction

****RESTRICTIONS:**

Children ages 6 weeks to 12 months do not receive this credit

Part time children do not receive this credit

School-Age children do not receive this credit (summer campers are billed weekly)
