SHOES

As the summer months begin we want to remind you that closed-toed shoes are a requirement for all children. We know that sandals and flip-flops are the preferred attire for these hot days; however, they are a hazard on the playground. We ask that you please provide appropriate closed-toed shoes for your child's safety.

OUTSIDE TIME

As temperatures rise, outdoor time will be adjusted for safety. When the feels-like temperature exceeds 99°F, we will remain indoors. On other days, outdoor play will be limited to short periods.

All children should be able to participate in outdoor activities, as we cannot accommodate classroom changes during outside time. If your child is unable to join all scheduled activities, please plan to keep them home.

Thank you for your understanding as we prioritize safety and comfort!

ABSENTEE CREDITS

With the holidays coming up, and vacation plans revving up, we wanted to explain how absentee credits are applied.

Absentee Credit:

Each child who attends **FULL TIME** ***(RESTRICTIONS APPLY)*** receives 5 Absentee Credits a year. (enrollment year)

Credits are applied when your child is out 3 or more days within the week consecutively and our closure dates do not apply to those 3 days. For Example, we will be closed Christmas eve and Christmas day. Those days do not count towards your 3 consecutive days of absences.

How it works:

Parent fills out an absentee form and submits before the dates of the absences

Parent must pay for the absentee week at 60% ahead of time

Account is billed for full amount of tuition

Account is given a 40% deduction

****RESTRICTIONS:**

Children ages 6 weeks to 12 months do not receive this credit

Part time children do not receive this credit

School-Age children do not receive this credit (summer campers are billed weekly)
