June 2018

## Directors' Corner...

Welcome to June! When it is toasty outside in Texas, we know that June has arrived! For us here at Two Creeks, the timing is great, since we will be starting Splash Days on June 11th. This is our favorite way to beat the heat, and to help them run as smoothly as possible, we ask for each child to bring all items listed on the back page of this newsletter and to make sure they are labeled. This helps ensure that each item is returned to the correct child at the end of water play. We do want to highlight the importance of sending children in safe water shoes for their time on the Splash Pad. While we know that it can be most convenient to send children in flip-flops, we require that children come in water shoes that have a rubber sole as well as a supportive back. Since children do have to travel from their classrooms to the Splash Pad, as well as on the border of concrete that surrounds the Splash Pad, we want to offer them as much protection as possible. Please also remember that all children that are not potty trained are required to bring swim diapers for their time in the water. Splash Days are some of our favorites around here and we are so grateful for each of you helping to make them a success!

Mark your calendars now for our Meet the Teacher, scheduled for August 24th from 4-6 p.m. While we will be CLOSED that day in preparation for another fabulous school year, we will plan to see each of you that afternoon at 4 p.m. for a sneak peek at your child's new classroom and teachers for our Fall 2018 session. More information to come!

As we start the summer, we want to thank each of you for all of your support throughout this past school year. As we celebrated another APK graduating class last week, we were reminded that time does go by so incredibly fast and we are so blessed to have this time with your children each day. If you are spending the summer elsewhere before returning to us in the fall, we hope you have a wonderful time with family!

-Courtney and Marisa

## Upcoming Dates

June 11th—First Official day of Summer camp

July 4th—CLOSED for Independence Day

August 24th—CLOSED for Teacher Work Day

August 24th—Meet the Teacher at 4 p.m.

- After Schoolers
- Splash Day Details

## ROOM 1

Hi Parents—

Happy summer everyone! We are very excited about this month's curriculum. Our main theme will be about you guys—Mommies and Daddies! We will be printing out pictures for the babies to look at, using flour and water for sensory activities, have plenty of water for sensory activities, and have plenty of dramatic possibilities for our prop box. We will also be having a class party in honor of Father's Day on June 15th, so be on the lookout for more details to come.

-Ms. Casey and Mrs. Brandee

## Room 2

We are getting ready to transition from our May curriculum. We will continue to implement sensory activities, and follow June's curriculum as shown on our bulletin board. We will continue to use a "peer learning environment" where the babies continue to grow and develop by learning from each other. We will close up our May curriculum this week and our summer crafts will get started next week.

-Mrs. Tiffany

## INNOVATIONS

Infant I, II & III

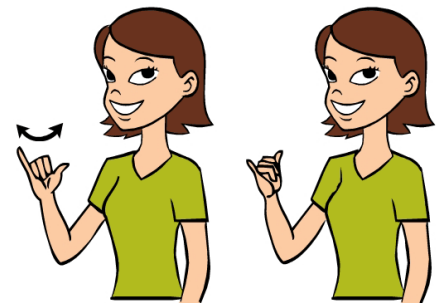

Theme: Mommy and Daddy

Color: Yellow

Shape: Square

Spanish: Amarillo

Sign: Yellow

## ROOM 3

Summer Fun is finally here! This month our theme is "Mommy and Daddy" and our shape will be the square and our color will be yellow. We are excited to enjoy some summer projects. We are looking forward to making a neat gift for all of our wonderful daddies for Father's Day. As a reminder, if you have not done so already, please bring in some sunscreen so that we can apply it to your child before our outdoor time each day!

Have a wonderful start to the summer.

-Ms. Stephanie, Mrs. Amber, and

Ms. Katarina

# INNOVATIONS

## Toddlers

Theme: My Family

Color: Yellow

Shape: Square

Spanish: La Familia

Sign: Family

## ROOM 4

Happy Summer! This month in June our theme is My Family. We will be making a big family tree in our room so be on the lookout for that! Our color this month is yellow and our shape is a square! We are going to be doing many different activities involving water and sand, along with painting with different materials. Keep an eye out for our new artwork!

-Mrs. Cassie, Ms. Melisa, and Ms. Teva

# Summer Curriculum

THEMES: Super Scientists

CHARACTER VALUE: Courage

## Room 5

We welcome the summer fun! Splash Days will start the week of June 11th and we cannot wait to beat the heat in the water.

Please remember to bring a swimsuit, towel, sunscreen and water shoes. We will celebrate all the dads this month for Father's Day and look forward to some fun summer activities!

-Mrs. Karina, Ms. Jackie, and Ms. Robyn

## Room 6

Welcome to summer! We are so excited to enjoy the water during Splash Days and do some festive summer activities. We are looking forward to making popsicles in the morning to enjoy later in the afternoon.

We will be starting our summer Curriculum next week, but will make sure to review all of our letters all summer long as well!

Happy June!

-Mrs. Valerie & Ms. Armanda

## ROOM 7

Happy Summer everyone! Our first week is all about Code Busters where we will do an "Invisible Ink Experiment". We will play detectives, use magnifying glasses, and make cute finger print art with ink pads and markers. We are also going to be reviewing our colors and our letter sounds.

Happy June!

-Mrs. Rocio

## ROOM 8

It is hard to believe, but another school year is almost complete. We are so proud of all of the progress that all of our friends have made and look forward to some more learning this summer before they move to APK in the fall. We wish the best to those who are spending the summer elsewhere and look forward to seeing many of you again in August. Our Summer Curriculum begins next week and we will be keeping busy as codebusters and science detectives!

-Ms. Haley and Ms. Kimberly

## Room 9

As you know, changes have come to our classroom after graduation! We are sad to see Ms. Heidi move to summer camp, but also excited to have Mrs. Aly join us. The first two weeks of summer will be laid back and summer will officially begin on June 11th. Splash Pad days will be coming that week as well. Keep a lookout for our day and time!

-Mrs. Alex and Mrs. Aly

## ROOM 10 APK

Welcome to Summer! This month is filled with solving mysteries, learning about animals, fun science experiments. Please remember to label all belongings brought into class! We will enjoy the next couple of weeks with APK before those students move to Room 9 and our Summer Campers join us full time until August! We are looking forward to a great summer.

-Ms. Heidi and Ms. Andrea

## Congratulations...

Please join us in offering a huge kudos to Ms. Melisa for being our Teacher of the Month for June! We are so excited to recognize all of the wonderful things that Ms. Melisa offers to her classroom each day. Whether she is getting deep belly laughs from her children with her fabulous tickles or singing silly songs, Ms. Melisa brings a silly side to her classroom, in a way that all toddlers can enjoy! We are thankful for Melisa's willingness to help out in all classrooms when needed and her team player spirit. Please join us in congratulating her on a job well done!

### After Schoolers

We are ready to finish the school year in style with some fun activities before the Summer Fun begins! We are looking forward to an Ice Cream Social on June 6th to celebrate a fabulous school year! Congrats to all of our students for completing another school year. Best wishes to those spending the summer away from Lighthouse!

-Mrs. Kelly

# Splash Days

Splash Days will start again the week of June 11th and continue all summer long! Each Classroom will have one designated day per week to enjoy the water! Please make sure that all items are labeled and remember to send the following:

- Swimsuit
- Rubber-soled water shoes with a supportive back
  - Towel
- Plastic Bag for the wet items
- Swim Diaper (for those not yet potty-trained)
- Sunscreen (if not yet already in the Classroom)
