February was a fun and exciting month filled with crafts and new friends. Our theme for the month was "Windows, Walls, Doors, and Hallways". We learned that we can look out windows, down hallways, and look at books as well. We also learned we can go in and out of doors and crawl down hallways. We had lots of fun preparing for Valentines Day. We received lots of goodies and made several cards for our parents. We made a hot chili pepper, a rose, and a lady bug with our color of the month red, and a red heart for our shape. We made a picture of "Cat in the Hat" to celebrate Dr. Seuss' birthday. We also created a cool craft in celebration of 100 days of school. We can't wait for the next 100 days of school!

Hello to our new friends Carter, Talia & Tess. Happy Birthday to Arya, Casey & Owen!

We learned about Uncle Sam, the Bald Eagle, our flag, and the Statue of Liberty. We also had fun looking at objects in the classroom that have distinctive shadows. What amazing writers we are in Room 6, we practiced the sounds and writing the letter "U, W/w, and N/n in our handwriting books. We are so excited to share all the fun things we did in February. We celebrated our 100th day of school by putting stickers on our chart, and counting all the way to 100. We also dressed up for Rodeo Day. We learned about our flag and made "Statue of Liberty" crowns. We talked about the Groundhog and whether he saw his shadow or not. We even took home cookies to share the idea of how shadows work. We had a Valentines party with lots of yummy treats and it was so much fun to exchange cards. We also talked all about Transportation. Ask me any question about a vehicle and I'll be able to tell you whether it belongs in the air, on land, or in the sea.

Welcome to Room 7 Madison. Happy Birthday to Roman (3/9) & Jameson (3/26)!
