## Character Value focus this month: Humor

### A note from our Director!

Dear Parents;

This month is national reading month. We will celebrate by reading books by several authors through out the month. As Dr. Seuss would say "You're never to old, too wacky, too wild, to pick up a book and read with a child."

Many times, teachers are asked by parents, "what can I do at home to help my child be successful at school?" A fun and easy activity is to, read with your child every day. After the story talk with your child and direct a discussion about

the story, ask questions, share and relate the story to life experiences. Most of all enjoy the story together and let your child see that reading is fun. Cherish this special time together!
