Craft Corner

POT OF GOLD PAPER PLATE CRAFT

Try This Easy Pot of Gold Craft for Kids to Celebrate St. Patrick's Day!

Paper plate
Yellow card stock
Mix of medium/large yellow buttons
Black craft paint
Felt clover stickers
Paint brush
Scissors
Hot glue/hot glue gun or craft glue

Employee Of The Month

*Thank you to
Ms. P
Room 7*

- Cut off the top 4" of a paper plate, making a straight line across the plate.
- Cut a small triangle out of each sides of the paper plate about 1.5" from the top and round the edges leaving a rim on your pot.
- Paint the paper plate pot black and let dry. Then cut a cloud like shape with a flat bottom from the yellow card stock. It should be about the width of the paper plate.
- Glue the flat edge to the back of the paper plate.
- Glue yellow buttons all over the yellow cloud shape.
- Stick a clover sticker onto the front of the black pot to complete your leprechaun pot of gold craft!
