EARLY LEARNING SCHOOL

MARCH

February was amazing! We had such a great time celebrating Black History, our Friends and Chinese New Year. We had a jam-packed month full of thoughtful learning experiences! We learned a lot about Maya Angelou, May Jamison and Augusta Savage. We all participated in learning experiences from poem writing to clay sculpting. We also discussed the Chinese New Year and participated in a fun parade. Next month is going to be just as busy.

This month we have a lot of fun learning experiences planned. We will be celebrating the works of Dr. Seuss, Texas Independence day and Holi Color Run. Dr. Seuss is a great way to introduce children to rhyming words. Texas Independence Day will give us all a chance to dress up like cowboys and cowgirls. Holi is one of the best days of the year. We will get messy as we participate in a color run. Finally, at the end of the month we will have picture days. We cannot wait to see how cute all those pictures turn out. We have some photogenic kiddos!

Spring Break is the week of March 13th. We have a lot planned for that week including field trips for our Anchors classroom. If your child attends our after school program, and you have not already done so, please sign-up for spring break camp as soon as possible. Don't forget Children's Lighthouse will be closed March 17th.

SPOT LIGHT ON LEARNING

This month we are spotlighting Woman in History. We will learn about the importance of women throughout our history and how those women influenced the culture and diversity of America.

Each of our older classrooms will pick one woman in history to present to other classrooms. Amelia Earhart, Marie Curie, and Harriette Tubman are just a few of the women we will be learning about this month.

Follow us on Facebook!

For fun photos, upcoming events, and important updates, be sure to follow us at Children's Lighthouse—Round Rock!

PAYMENTS & CREDITS

How we bill:

All accounts are charged on Monday for your agreed upon tuition regardless of your child's specific attendance for the week. Each contract indicates that the account holder is responsible for payment. Payments are due by Tuesday of each week.

Absentee Credit:

Each child who attends **FULL TIME** **(RESTRICTIONS APPLY)** receives 5 Absentee Credits a year.

Credits are applied when your child is out 3 or more days within the week consecutively and our closure dates do not apply to those 3 days. For Example, we will be closed Friday, March 17th. That day does not count towards your 3 consecutive days of absences.

How it works:

Account holder fills out an absentee form and submits before the dates of the absences

Account holder must pay for the absentee week at 60% ahead of time

Account is billed for full amount of tuition

Account is given a 40% deduction

****RESTRICTIONS:**

Children ages 6 weeks to 12 months do not receive this credit

Part time children do not receive this credit

School-Age children do not receive this credit

School-Age children are billed \$100.00 for after school care. Account holder is billed whether the child attends for the week or not. You are paying to hold your spot at a contractual rate instead of \$60/day drop-in rate.

School-Age children who have 1-2 single days out of school are billed their normal tuition charges plus \$30.00 a day for each full day of care.

If the elementary is closed 3 or more days within the week, this is considered Holiday Camp. Tuition for Holiday Camp is \$235.00 for the week. There are no additional charges.

HOLI

FESTIVAL OF COLOR

Holi is considered one of the most celebrated festivals in India. It is celebrated throughout the country. It is also called the "festival of love" or "the festival of color". On this day people get together and share warm feelings and love with each other. The festival lasts for a full 24 hours and on the evening of the Full Moon.

The use of vibrant colors is something that is believed to provide positive energy in our lives. Holi, the festival of colors, is actually a day of rejoicing. The tradition starts by lighting a bonfire and this process symbolizes the triumph of good over evil. On the day of Holi people play with colors with their friends and families.
