A Note From the Director

Dear Parents,
I can't believe that we are already in the beginning months of Spring! We have an incredibly busy month this March! I am eager to see all of the fun we will be having and even more excited for our parents to engage!

We have a new program rolling out this month... "Mystery Readers"! This is open to all parents and families. We will have a sign up sheet for the week of March 18th for families to sign up to read to their students classroom in the morning. This is a great way to engage and spend some extra time with your student in their class.

Warmly,
Dakota Romo
School Director
