It is hard to believe that it is almost springtime! We have a fun month of activities planned for March starting with celebrating Dr. Seuss dress up days. Our classrooms will be busy creating and crafting some cute theme related art and activities. Be on the lookout for information on what we have planned for our Easter activities this year!

We appreciate all our wonderful families! We continually strive to meet the needs of our students and families and want you to know that we are always open for suggestions or comments.
