

MARCH NEWSLETTER 2026

Goodbye to winter blues and hello to March hues!

As the vibrant hues of spring begin to emerge, March brings a fresh wave of excitement and learning opportunities at Children's Lighthouse of Hoover. This month, we invite children and families to explore new themes, engage in enriching activities, and celebrate the joy of discovery. From budding friendships to blossoming knowledge, March is a special time for growth and exploration. Join us as we embrace the changing season with open arms and eager hearts!

Reminders

Dear Parents,

We hope you are well. We want to inform you about occasional changes in our teaching staff.

Safety and Integrity

At Children's Lighthouse, the safety and well-being of your child are our top priorities. We make decisions with careful consideration that may seem swift but prioritize child safety and care. While we value all our staff, maintaining the integrity of our program means continuing with those who align with our standards and values.

Supporting Growth

We support the growth of both children and teachers. As educators advance in their careers, you may notice staff changes. These transitions not only bring fresh ideas to enhance your child's learning but also ensure that our team consists of individuals who are best suited to our educational philosophy.

Consistency

We are committed to maintaining consistency in care and education. Each classroom has a specific curriculum tailored to the ages of your children, ensuring the learning is never delayed, creating a stable and nurturing environment for your child.

Communication

If you have any questions or concerns, please feel free to reach out. Our team is always available to discuss these changes and explain the benefits they bring to our community.

Thank you for your continued support.
