

Dear Parents,

Where did our year go? Our children have grown and learned so much this year; but the time has passed all too quickly. Even so, we're not ready to quit just yet! We have our last **all-Class Show and Tell** on the 3rd, when each child is asked to bring any kind of flower. You don't have to go to a flower shop—see what is blooming in your yard!

If something smells “fishy” this month, it's just our fish exploration; and we're even going to create our own ocean, full of different kinds of creatures.

The second week of the month is **Teacher Appreciation Week**, so check the calendar for information on the many ways we are showing our teachers how much we love them. This month, we will also celebrate our wonderful mothers with a **Muffins with Mom Event** on May 13th!
