## Character Value focus this month: Shows Kindness

### A note from our Director!

Dear Parents;

I want to thank all of our amazing families for your outpouring of care for our staff while we are all going through this time together caused by the Covid 19. We are truly thankful for your continued support and love you have and continue to give our teachers each day. You are *AMAZING*!!

This year celebrating Mother's Day may be a little different and you may wonder how to celebrate from a far. We have a few ideas to pass along. If you usually do a brunch or lunch, maybe you can do a tele-lunch. You can have mom's favorite dish delivered and then share the meal on Skype or Zoom. Mom will not need to cook and can share these moments with the family.

Some other ideas to share on Skype or Zoom;

- ◆ Send gifts and watch mom or grandma open them
- ◆ Have a Mother's Day Tea
- ◆ Make and play a sibling trivia game
- ◆ Share family pictures from different homes together

I hope everyone has a blessed Mother's Day.

Together we are better.

Janice
