

The Lighthouse

May 2022

IN THE NEWS

It has been an amazing April. There were so many fun activities last month. We have been so happy to see all our families back in the building. We are overjoyed that we have been able to make real connections with everyone. We hope that your family will continue to build relationships with staff, friends and other families in our community.

We are getting ready for Parent-Teacher conferences. Please check your emails, messages and other communications to see your child's classroom dates. We will send out information about these conferences by the end of this week. We are excited to discuss your child's progress with you. These conferences will be held via telephone call as to not be too disruptive to your day. Be on the lookout for your classroom dates.

Teacher Appreciation Week is May 2nd through May 6th. We have some fun stuff planned for all of our teachers and some great ideas for your family to participate. A teacher's favorites list has been emailed to you via Pro-Care Engage.

You're Invited! We would like to invite all our Moms, Grandmas, and Motherly figures to join us for a Picnic Tea Party on Friday, May 6th in celebration of all the Moms in our lives. Check out page 2 for details!
