Craft Corner

Turtle Theme Mother's Day Card

- Start with two different sized green cupcake liners. These can be found in the baking section of craft stores.
- Flatten the cupcake liners and fold in half.
- Add a bit of glue to the inside of the cupcake liners.
- Glue the folded liners onto the card surface. These will become the turtle shells.
- You can make as many little turtles as you like, but only use one large cupcake liner.
- The larger turtle will become the "mom" and the smaller sized cupcake liners will be the turtle kids.
- Use yellow card stock to snip half circle shapes to form heads and feet for each of the turtles.
- Glue the heads and feet into place on the turtle shells.
- Write in marker, "I Turtley Love You, Mom!" for cutest ever Mother's Day card!
