Character Value of the Month:

This month's theme is "Kindness." With the help of our character value friend, Sedrick the Seal, students will learn about the importance of caring for others through kind words and thoughtful actions. They will explore ways to share, help friends, include others, and show empathy in everyday situations while building positive relationships, confidence, and respect for those around them.

Sedrick the Seal

Kindness • Oceans Around The World

Sedrick lives in the ocean. He is a kind animal. When Sedrick sees another animal in the water that cannot swim well, he will be kind and push it to the shore.

We Are Kind and Caring.

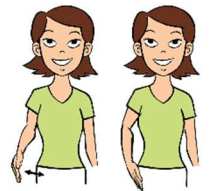

This month in the Cares Classrooms, infants will explore amazing animal themes, the color gray, and the shape triangle through hands-on play and daily activities. Children will enjoy role play, art projects, sensory experiences, and songs such as *Going on a Bear Hunt* and *Five Little Speckled Frogs*. Through these activities, infants will build early language skills, strengthen fine and gross motor development, and learn through movement, music, and discovery.

Dog *el perro*

This month in the Cares Classrooms, children will explore animals, flowers, fish, and ocean animals through hands-on activities, simple experiments, and storytelling while also reviewing the alphabet through fun games and playful learning. They will learn how plants grow, what they need to thrive, and where ocean animals live while building early science skills like observing and asking questions. Through discussions, art projects, and play, children will also develop language, fine motor, and social-emotional skills.

Employee of The Month:

We are so excited to recognize Ms. Rory as our April Employee of the Month! 🌸

Ms. Rory, thank you for all that you do! You've been doing a wonderful job stepping up in your classroom—creating fun and creative art activities, encouraging the children to try new things, and supporting their growing minds. We truly appreciate how you've adjusted your schedule to help support the center and provide consistency for your classroom and the children. Thank you for your dedication, positive energy, and the care you show each day. You make such a difference in your classroom.

Welcome New Staff:
