

25576 Two Creeks, San Antonio, TX 78255

May 2020

Directors' Corner...

Welcome to May! In true Texas fashion, the sun is trying to come out and we are seeing warmer weather every day! If you have not done so already, and you would like to, feel free to bring in sun-screen and/or bug spray to have applied to your child before each outdoor time. Some sunscreens also offer bug spray as well and that is a wonderful combination option. Please stop by the front office to fill out a form giving us permission to apply one or both to your child.

With the warmer weather often comes the desire to send your child to school in sandals and other open-toed shoes. While we know that this is convenient and also much cooler for the summer-time, it is not the safest choice. For that reason, we ask that children come to school in shoes that cover their toes with a non-slip sole. This allows children to play outside on the playground safely. Please do not hesitate to stop by the office with any questions about which shoes provide adequate protection.

Summer time also means SPLASH PAD time! What better way to beat the heat than to cool down in some refreshing water. Be on the lookout for more details to come, but you can start preparing now by gathering a swim suit, closed-toed water shoes, a towel, and a swim diapers (for those who are not yet potty trained).

Lastly, as we move towards the summer, we have heard from many of you who will be returning to school in the next month or two. We know that times have been challenging and the uncertainties of the world have been many, but we are looking forward to when our Two Creeks family is together again. I think we can all agree that there have been unexpected lessons throughout these unprecedented times, but the most valuable one has been about the value of the village we have around us. When it comes to what matters most in life, we have all been reminded that the people we love and who love us are at the very top. Thank you all for being a part of our Two Creeks family, as we send more blessings of health each of your ways. Wishes for a healthy summer ahead!

-Courtney and Marisa

- APK Graduation Update

ROOM 1

Hi Parents—

We are very excited for this month's theme, which is All About Me! Our class will be learning about themselves and what they can do, their families, and much more. We will be focusing on things we can wear, touch, see, hear, and smell. Some of our activities will include: bathing baby dolls, finger paint collages, smelling games, and more. We hope you all have a wonderful Mother's Day!

-Mrs. Jazmine and Mrs. Melissa

INNOVATIONS

Infant I, II & III

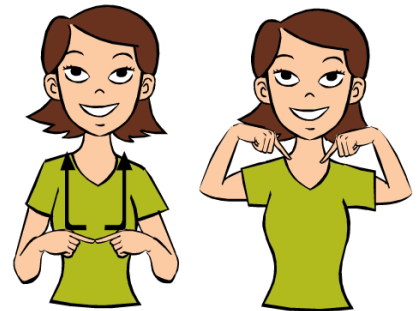

Theme: Me

Color: Pink

Shape: Triangle

Spanish: Bib

Sign: Bib

Room 2

May is here and we are so excited for the fun activities this month! The theme for May is All About Me and we will be focusing on identifying body parts and exploring what makes each one of your children amazing. We will also be learning about emotions and facial expressions. Our color for the month is pink, and our shape is a triangle. We will also be doing some activities such as flour exploration, mirror play, and a smelling game. Lookout for fun and engaging pictures!

-Mrs. Rocio and Ms. Shelbie

ROOM 3

Goodbye April showers and hello May Flowers! This month our tiny toddlers will be learning all about themselves as the theme will be "Me." Our shape will be the triangle, along with the color pink. We are super excited for all the upcoming activities we will be doing this month, along with the many new books we will be reading. May the month be filled with fun and laughter!

-Ms. Stephanie, Ms. Thalia, and Mr. Robert

INNOVATIONS

Toddlers

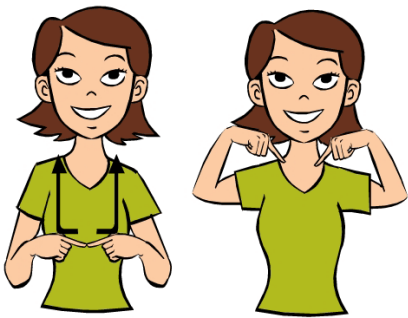

Theme: Me and My Body

Color: Pink

Shape: Triangle

Spanish: Bib

Sign: Bib

ROOM 4

Happy May! We are so close to the summer! This month we are going to be learning all about Me and My Body! Our color this month is pink, which is so fun and bright. Keep an eye out for our fun projects that will be super messy for the children as they are able to paint with their feet and feel the textures in a different way!

-Mrs. Cassie, Mrs. Jackie, and Ms. Sabrina

C.A.R.E.S.

THEMES: Plants and Ocean Animals

CHARACTER VALUE:

Cares and Shows Kindness

Room 6

In the month of May, we will learn about flowers, plants, and ocean animals. We will count seeds, make ABAB patterns, build a flower, and make a book about different flowers. We will make ocean waves in sensory bottles and practice writing the number 3. We will also be doing assessments this month to gauge where each child is!

Happy Mother's Day to all of you!

-Ms. Kolleen and Ms. Stephanie

Room 5

We are learning and having so much fun! This month is all about a very special person in our lives: MOM! We hope to share lots of love and appreciation for our mommies! We are working on saying "please" and "thank you" to practice using our manners. A special "thank you" to each of you for helping to make our room great!

We have a busy month up ahead learning about Plants and Ocean Animals and will plan many walks to the front to visit the fish!

-Ms. Shelly, Ms. Maria, and Ms. Leiloni

ROOM 7

April showers bring May flowers! What do plants need to grow? We will learn about flowers and other types of plants. There will be many experiments the first two weeks and then we will dive into the ocean. Ocean exploring will include what lives in there and all of the wonderful sea animals.

We are excited about the fun art projects and will plan to review each of our letters!

-Ms. Danielle and Ms. Patty

ROOM 8

Summer is just around the corner! In May we will learn about and discuss Plants and Ocean Animals. We will begin our spring assessment throughout the month, re-view our alphabet and sounds, discuss parts of a flower, bubble wrap painting, do a flower experiment, practice writing flower names, and our own names. We will introduce the following word families: -ay and -ark. We will also practice adding and subtracting numbers 1-10, do shadow matching, sea creature painting, and cutting practice! We have a busy month up ahead.

-Ms. Kimberly, Mr. Logan, and Ms. Dannielle

Room 9 and Room 10 APK

We are excited for May! We will be adding “say”, “the”, and “on” to our sight word list and practicing the following word families: -ay, -ark, and -ale. For those who will be taking the summer off before the school year begins, we would like to wish all of our friends a wonderful goodbye. Best of luck to all of our students in Kindergarten.

-Mrs. Alex and Mrs. Eileen

After Schoolers

The children have been doing a wonderful job working on their Distance Learning materials and practicing some of their skills from school during this time away from their elementary schools. We will continue to explore the lessons that our school teachers have sent for us and will start our X-Stream Curriculum soon to get our summer started! We miss all of our friends and hope to have everyone together soon!

-Mrs. Kelly, Ms. Armanda, and Mr. Manny

Congratulations...

Please join us in offering a huge kudos to Mrs. Rocio for being one of our Employees of the Month for May. Mrs. Rocio has been such a valuable member of our Two Creeks team for many years now and has touched the lives of so many children in our program. She gives the best hugs in the hallway to everyone she sees and adds such a fun spirit to our school! We are so thankful for all of her efforts and congratulate her on a job well done!

Congratulations...

Please join us in offering a huge kudos to Ms. Maria for being one of our Employees of the Month for May. Ms. Maria is so well-loved by her two year olds and takes extra care to ensure they are all happy and healthy each day! She has the best helping hands and is always offering to help the team in any way they may need. We appreciate her for being such a great team player and applaud her for all she does!

APK Graduation

This time of year is always one of our favorites as we celebrate our APK students' successes before we send them to Kindergarten. Due to recent events and current restrictions, we are in discussion about ways to still celebrate these little stars in a safe way!

Please be on the lookout for more information!
