News

This April has been so much fun for room 1 babies! We learned about the color purple by doing some painting with a feather duster. We sang one of our favorite songs, "Rub- a- Dub- Dub". The babies also learned how to say the word "water" in baby sign language! We are excited for what's in store in May!

Room 2
Ms. Darlene & Ms. Destyni

News

In room 2 we did feather duster painting, foot print duck art, and warm toothpaste in a bag. The babies enjoyed watching the floating fish and played with glitter bottles. We all enjoyed singing and clapping to songs like, "Jack and Jill" and "Five Little Ducks". We learned so much this month, but ready to learn more in May!

Ms. Kayarie

News

This past month, room 3 had so much fun learning and playing in mud, puddles, and bubbles! We brought rain boots to school and jumped in puddles. We played with mud, squishing it between our fingers, and had an Easter egg hunt and took home so much candy! Our friends had a potato sack race which was so much fun for them. They've learned to eat with a spoon and is getting better at using their listening ears during story time. We are excited to enter May and learn some more!

Color: Pink

Shape: Triangle

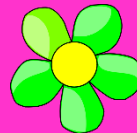

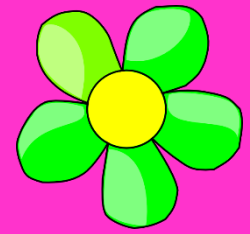

Spanish: Bib- *El Babero*

Song: "Here They Are"

Rhyme/ Finger Play: "Thumb- in- the- Box"

Room 4
Mrs. Theresa & Ms. Jazmin

News
In the month of April, we painted with fun items such as trucks, cotton balls, and "found objects". We used our planter skills from last month, and measured soil to pour for our project. Lastly, we colored ovals and made cute handprint bunnies for Easter! We are full of knowledge, but ready to soak up more for next month!

News

Room 5 learned so much in April! Our Spring theme has us exploring the change of the weather and the insects that come with it. We even got to see the life cycle of a butterfly process from a caterpillar to a beautiful butterfly! Our friends are also learning shapes incorporating a lady bug, learning our letters, and counting with amphibians. April was so fun, but we're ready for May!

Ms. Brianna, Ms. Bri, &
Ms. Kate

News

April was filled with many adventures! We talked about spring and looked for flowers outside. We learned about life cycles and read the "Very Hungry Caterpillar". We also discussed about amphibians and listened to many songs about frogs, butterflies, and insects.

We went on an insect hunt outside to see what we could find. Our friends enjoyed looking in the dirt for roly pollys and watched dragonflies explore the air. We tried to keep fiesta alive and participated in a fiesta hat parade that everybody enjoyed!

We did several activities this past month, but we are ready to do more in May!

Mrs. Sarahi, Mrs. Adriana,
& Ms. Jillian

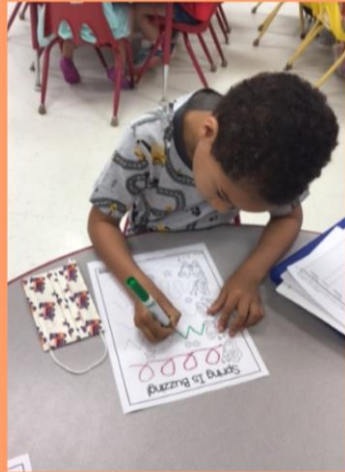

News

During the month of April, our friends had an incredible time learning fun facts about insects.

They were impressed to learn about the crazy amount of insects there are in the world. Some of them have the coolest camouflage ability, some of the friends weren't able to spot them on the book page. They were intrigued about how the lady bug's and caterpillars life cycles began and ended. We also studied about amphibians and thought it was cool that some breathed under water. Room 7 had a blast participating in the Fiesta Hat parade, we really appreciate keeping our fiesta spirit alive. We are almost done with the school year, but very eager to learn more in May!

Room 8
Ms. Michelle & Ms. Cassandra

News

The month of new beginnings has arrived! This month the children are excited to experience the growth of a butterfly! We have a few butterflies that we will get to release once they've grown and are ready to go! The students have become little insect explorers finding so many interesting and cool insects while paying outside. The whole month we have explored various types of insects and amphibians. Spiders and caterpillars are our favorites! The children have had so much with exploring this month, they can't wait to discover more in May!

Room 9

Ms. Maria & Ms. Destyni

News

In the month of April, APK learned so much about different life cycles. Our character value word "Responsibility", helped us connect so well when caring for our ladybugs and butterflies. We are also excited to announce we finished our "Hooked on Phonics" books ahead of schedule! As we enter May, APK will begin to prep for graduation!

School Age Ms. Alana & Mrs. Jeanette

News

Our after school program is blossoming and several new faces have been added to our class. With the warmer weather here, we are having so much fun with our outside challenges and earning many badges. Things seem to be getting back to normal, and as we prepare for the summer break, we want you all to know that enrollment is open for summer camp and we will be attending field trips! Our school age friends are ready to end the year with a bang!
