We started off the spring season great in room one! We enjoyed all the fiesta colors and focused on the color purple this month. We created so many crafts with our tiny feet like flowers and clouds to celebrate spring. To top it off we got to meet the Easter bunny! She was so soft and fluffy. We even had our very first egg hunt and talked about how oval shaped our eggs were. We are enjoying spring and its beautiful weather!

April was so much fun. We got to play and learn about different kinds of construction toys. Our shape was oval and the color of the month was purple. We had some fun events like our fiesta hat parade and our Easter egg hunt. We had so much fun getting to wear our fancy hats, getting to show them off and running around trying to get as much eggs as we can. This month was a fantastic time! Thank you to my parents for making the hats they where all amazing!

In April we learned the letter X, Y & Z and sounds they make we love reciting our "Alexander Alligator" cards. We Explored nature, observed flowers and caterpillars outside. We learned that amphibians are frogs. We also learned about the life cycle and insects and that April is the season for spring. We Learned spring brings pretty flowers. We really enjoyed Celebrating Easter and we even got a 3 day weekend with our family's for battle of the flowers and good Friday. Spring had definitely sprung!

# Room 6

and Ms. Destyni

The month of April was filled with spring fun! We started off the month with our fiesta hat parade, which our children loved! We introduced life cycles and read the very hungry caterpillar. We also learned about amphibians and frequently hopped around the carpet like frogs. We were so excited that the Easter bunny came for a visit and we used our manners when we got candy. We really enjoyed hunting for eggs and appreciate all the donations from our parents.

HAPPY BIRTHDAY!

During the month of April we had a blast learning about life cycles. Our friends got to experience this process first hand by watch some insects going through it. Our Easter egg hunt was a complete success thanks to the amazing participation of our sweet parents. We learned about the differences between insects and amphibians. Our friends were so thrilled about al the cool facts!

# Room 8

Ms. Michelle and Ms. Cassandra

This month was “EGG” cellent! The kiddos had so much fun doing the Egg Hunt. While we were doing our egg hunt we got to see some spring bugs crawling around outside and the kiddos had so much fun trying to figure out what type of insects they are. We also had lots of fun learning about life cycles and how we get to see it day to day in bugs, turtles, hens, plants and so many more examples out there.

# ROOM 9

Ms. Maria and Ms. Victoria

April was full of festivities! We kicked off the month by showing off our creative Fiesta Hats! The kids were so happy to see their parents there for support. Another huge highlight of the month was getting to meet the Easter Bunny right before our big Easter egg hunt! Spring has definitely sprung and it's so bittersweet knowing Graduation is just around the corner. Can't wait to see what their futures hold.
