Directors' Corner...

Welcome to May! In true Texas fashion, the sun is trying to come out and we are seeing warmer weather every day! If you have not done so already, and you would like to, feel free to bring in sunscreen and/or bug spray to have applied to your child before each outdoor time. Some sunscreens also offer bug spray as well and that is a wonderful combination option. Please stop by the front office to fill out a form giving us permission to apply one or both to your child.

With the warmer weather often comes the desire to send your child to school in sandals and other open-toed shoes. While we know that this is convenient and also much cooler for the summertime, it is not the safest choice. For that reason, we ask that children come to school in shoes that cover their toes with a non-slip sole. This allows children to play outside on the playground safely. Please do not hesitate to stop by the office with any questions about which shoes provide adequate protection.

Summer time also means SPLASH PAD time! What better way to beat the heat than to cool down in some refreshing water. Be on the lookout for more details to come, but you can start preparing now by gathering a swim suit, closed-toed water shoes, a towel, and a swim diapers (for those who are not yet potty trained).

Lastly, as we move towards the summer, we have heard from many of you who will be returning to school in the next month or two. If your child will not be attending Two Creeks during the Summer, please send an email to twocreeks.director@childrenslighthouse.com so that we may plan accordingly. With notice, we will save a spot for your child to return in the Fall. Thank you all for being a part of our Two Creeks family, as we send wishes for a fun and healthy summer ahead!

ROOM 3

Goodbye April showers and hello May Flowers! This month our toddlers will be learning all Amazing Animals! We know they're going to have a blast! Our shape will be the triangle, along with the color gray. We are super excited for all the upcoming activities we will be doing this month, along with the many new books we will be reading. May the month be filled with fun and laughter!

-Ms. Brooke

ROOM 4

Happy May! We are so close to the summer! This month we are going to be learning all about Amazing Animals! Keep an eye out for our fun projects like: Play Dough Snakes, Animal Rescue, Squiggly Snakes, and more!

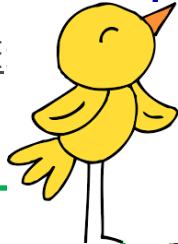

-Ms. Lisa, Ms. Shelly & Ms. Tayler

THEMES: Plants, Flowers, Fish, Ocean Animals

CHARACTER VALUE

Kindness

ROOM 5

We are learning and having so much fun! This month is all about a very special person in our lives: MOM! We hope to share lots of love and appreciation for our mommies! We are working on saying "please" and "thank you" to practice using our manners. A special "thank you" to each of you for helping to make our room great!

We have a busy month up ahead learning about Plants, Flowers, Fish, and Ocean Animals.

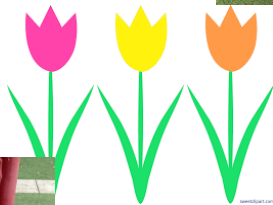

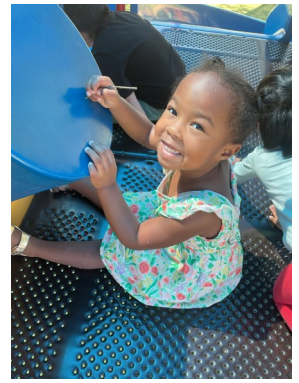

-Ms. Angie, Ms. Alivia & Ms. Kayla

ROOM 6

In the month of May, we will learn about flowers, plants, and ocean animals. We will count seeds, make ABAB patterns, build a flower, and make a book about different flowers. We will make ocean waves in sensory bottles and practice writing the number 3.

Happy Mother's Day to all of you!

-Ms. Naima & Ms. Lexi

ROOM 7

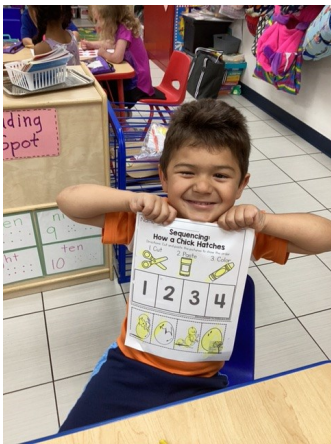

April showers bring May flowers! What do plants need to grow? We will learn about flowers and other types of plants. There will be many experiments the first two weeks and then we will dive into the ocean. Ocean exploring will include what lives in there and all of the wonderful sea animals. We are excited about the fun art projects and will plan to review each of our letters!

-Ms. Kolleen & Ms. Cailee

ROOM 8

Summer is just around the corner! In May we will learn about and discuss Plants, Flowers, Fish and Ocean Animals. We will review our alphabet and sounds, discuss parts of a flower, bubble wrap painting, do a flower experiment, practice writing flower names, and our own names. We will introduce the following word families: -ay and -ark. We will also practice adding and subtracting numbers 1-10, do shadow matching, sea creature painting, and cutting practice! We have a busy month up ahead.

-Ms. Valerie Ms. Armanda & Ms. Paige

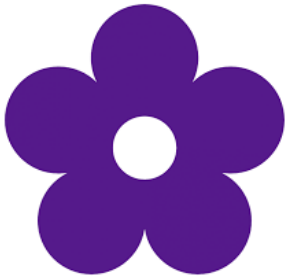

Room 9

We are excited for May! We will be adding "say", "the", and "on" to our sight word list and practicing the following word families: -ay, -ark, and -ale. This is also graduation month!

For those who will be taking the summer off before the school year begins, we would like to wish all of our friends a wonderful goodbye. Best of luck to all of our students in Kindergarten!

-Ms. Eileen

ROOM 10

It is almost to the end of another school year and our students continue to have a great time! Being outside is definitely the best part, so please remember to send water bottles for those toasty afternoons. We are looking forward to a great summer coming up! See the end of the newsletter for Summer Camp info!

-Ms. Abrana

Congratulations...

To Ms. Stephanie! Ms. Stephanie is our teacher of the Month for May! With years of dedication to our school, she is a truly amazing part of our team! Her colleagues have praised her for her invaluable support and exceptional skills with children of all ages!

She is very skilled to help children use their own tools to communicate their needs and problem solve amongst their peers.

Congratulations, Ms. Stephanie!
