EARLY LEARNING SCHOOL

April was a blast! From exciting activities to special moments, last month was full of fun, and we loved every minute of it. Now, we're gearing up for an amazing May, and trust us—you won't want to miss what's in store! Be sure to check out our upcoming events to stay in the loop.

We're also preparing for Parent-Teacher conferences, and we can't wait to chat with you about your child's progress! Keep an eye on your emails, messages, and other communications for your child's classroom's conference dates. We'll be sending out all the details by the end of next week. To make things easy for you, conferences will be held via phone call, so they won't disrupt your busy day. Stay tuned for more information!

And guess what? Teacher Appreciation Week is just around the corner—May 5th through May 9th! We've got some exciting surprises planned to celebrate our incredible teachers, and we'd love for your family to join in on the fun. A teacher's favorites list will be emailed to you via ProCare Engage on Monday, April 29th, and you can also snap a picture of the list at the front desk.

Here's to another fantastic month ahead!

## PARENT TEACHER CONFERENCES

It's that time of year! We are excited to share your child's progress with you and discuss further goals for future achievement! Parent-Teacher conferences are an important part of our academic year and we strive to provide you with a thorough evaluation of your child's successes. In addition, we will highlight some opportunities for further growth.

All conferences are by telephone appointment only. If you would like to schedule an in-person conference, please let a member of management know. We will schedule all in-person conferences after the telephone appointments have been completed. Conferences will take us a few weeks to complete. Please be patient as we work through the logistics of scheduling. Please look for a sign-up sheet on your child's door beginning next week, May 5th. The conferences will be 15 minutes in duration. If you need to speak with your child's teacher longer than that time frame, please let us know and we will attempt to accommodate your call at a later time.
