EARLY LEARNING SCHOOL

April was an absolute blast! From hands-on activities to unforgettable moments, last month was packed with joy, laughter, and learning. We soaked up every second of it! Now we're gearing up for an amazing May, and trust us, you'll definitely want to be part of all the excitement. Be sure to check out our upcoming events so you don't miss a thing.

We're also getting ready for Parent-Teacher Conferences, and we can't wait to connect with you about your child's growth and accomplishments. Keep an eye on your email, ProCare messages, and classroom updates—conference dates will be shared by the end of next week. To make things simple and stress-free, all conferences will take place over the phone, so you can participate without interrupting your busy day. More details are on the way!

And guess what's coming up? Teacher Appreciation Week—May 4th through May 8th! We have some fun surprises planned to celebrate our incredible teachers, and we'd love for your family to join in. A "Teacher Favorites" list will be emailed to you through ProCare Engage by Friday, May 1st, and you can also snap a photo of the list at the front desk.

Here's to another fantastic month of learning, laughter, and community!

PARENT TEACHER CONFERENCES

It's that time of year! We are excited to share your child's progress with you and discuss further goals for future achievement! Parent-Teacher conferences are an important part of our academic year and we strive to provide you with a thorough evaluation of your child's successes. In addition, we will highlight some opportunities for further growth.

All conferences are by telephone appointment only. If you would like to schedule an in-person conference, please let a member of management know. We will schedule all in-person conferences after the telephone appointments have been completed. Conferences will take us a few weeks to complete. Please be patient as we work through the logistics of scheduling. Please look for a sign-up sheet on your child's door beginning May 11th . The conferences will be 15 minutes in duration. If you need to speak with your child's teacher longer than that time frame, please let us know and we will attempt to accommodate your call at a later time.
