## Craft Corner

### Turtle Theme Mother's Day Card

SUGARAUNTS.COM for COFFEE CUPS AND CRAYONS

Start with two different sized green cupcake liners. These can be found in the baking section of craft stores.

Flatten the cupcake liners and fold in half. Add a bit of glue to the inside of the cupcake liners. Glue the folded liners onto the card surface. These will become the turtle shells. You can make as many little turtles as you like, but only use one large cupcake liner. The larger turtle will become the "mom" and the smaller sized cupcake liners will be the turtle kids.

Use yellow card stock to snip half circle shapes to form heads and feet for each of the turtles.

Glue the heads and feet into place on the turtle shells. Write in marker, "I Turtley Love You, Mom!" for cutest ever Mother's Day card!

## May's Family of the Month – The Valenti's

The Valenti family has been with Children's Lighthouse since May 2022. Our daughter Scarlett has really enjoyed her time at the school and has really grown her skills especially thanks to the curriculum and teachers at Children's Lighthouse. We have also enjoyed seeing the friendships Scarlett has made, even from a young age.

Our favorite family activities include going to the park, Scarlett LOVES the swings, swimming, and playing with their two dogs, Brock and Groot. We feel so lucky to have found a good learning center, that we trust, for our daughter and we are looking forward to making more memories with Children's Lighthouse!

### Children's Lighthouse Anniversaries

We would like to congratulate our valued employees for all their hard work and dedication. We appreciate all they do.

**Mrs. Stephanie 1 YEAR!**

**Ms. Jackie 1 YEAR!**
