What's Happening

It's May! Can you believe it?! We have a very busy month ahead of us!

☀️ National Teacher Appreciation Week | May 5–9

This week, we pause to honor the incredible educators who pour their hearts into shaping the minds and lives of our children. Being a teacher isn't just a job — it's a calling. It takes passion, resilience, and an unwavering commitment to nurture young minds.

Textbooks can't teach the magic that happens when a teacher truly connects with a student — that spark, that belief, that encouragement that can change a life forever. In a time when seasoned, passionate educators are becoming harder to find, we celebrate those who remain — standing strong, making a difference, and giving so much of themselves every single day.

To every teacher out there: **Thank you.** For the early mornings, the late nights, the creativity, the compassion, the patience, and the relentless hope you give. You are heroes in every sense of the word.

Let's all take a moment this week to say thank you in our own special way — whether it's a note, a small gift, a social media shoutout, or simply a heartfelt "You matter."

#ThankATeacher

#TeacherAppreciationWeek #GratefulForEducators

Congratulations Lighthouse graduates, room 9 will be graduating on May 8th at Goforth Elementary. Mark the date for this special event.
