What's Happening

It's May! Can you believe it?! We have a very busy month ahead of us!

☀️ National Teacher Appreciation Week | May 4–8

This week, we pause to honor the incredible educators who pour their hearts into shaping the minds and lives of our children. Being a teacher isn't just a job — it's a calling. It takes passion, resilience, and an unwavering commitment to nurture young minds.

To every teacher out there: **Thank you.** For the early mornings, the late nights, the creativity, the compassion, the patience, and the relentless hope you give. You are heroes in every sense of the word.

Let's all take a moment this week to say thank you in our own special way — whether it's a note, a small gift, a social media shoutout, or simply a heartfelt "You matter."
