Power of Play

Unveiling the Hidden Learning Gem

Cultural Understanding: Through imaginative play, preschoolers explore and make sense of the world around them, including its diverse cultures and traditions. Whether they're dressing up in costumes from diverse cultures, cooking pretend meals from around the world or reenacting historical events, children develop an appreciation for diversity and cultivate a sense of cultural empathy.

Solo Challenge: Flowers Are Blooming

This month, our schoolers are bringing a little of the outdoors inside by creating spring flowers to decorate the doors and hallways of our local retirement homes!

Step-by-Step:

1. Talk about spring flowers and how we can spread kindness. Students will think about their design and choose colors.
2. Sketch or plan out the flower—petals, stem, leaves, and any extra details.
3. Use construction paper, scissors, glue, markers, or crayons to bring the design to life.
4. Write a short, cheerful note like “Have a great day!” or “You are loved!”
5. Put all flowers together to create a bright and happy display.
6. Share the Kindness

Our finished flowers will be delivered to decorate a local retirement home and brighten someone’s day! 🌸
